STAINBURN'S VEGETABLE EXTRACT PILLS,

MADE ENTIRELY OF PURE COLD PRESSED EXTRACTS WITHOUT THE AID OF ARTIFICIAL HEAT.

☞ See that every Box you buy, has this label on it.

STAINBURN'S VEGETABLE EXTRACT PILLS Prepared only by Jas. W. Stainburn SOLE PROPRIETOR, NEW-YORK.

Beware of Counterfeits.

THUS PRESERVING THE LIFE ESSENCE OF Medicinal PLANTS, AS THEY EXIST IN THE GROWING VEGETABLE.

THIS MOST POPULAR OF ALL MEDICINES has truly gained the confidence of the many thousands of sufferers who have used it, in many forms of disease, with UNFAILING SUCCESS.

The following complaints have always been cured when the Stainburn Pills have been taken according to the directions which accompany each box:—

Dyspepsia, Costiveness, Bilious Complaints, Liver Complaints, Cholic, Coughs and Colds, Rheumatism, Fever and Ague, Scrofula, Piles, Whooping Cough, Measles, Worms, Small Pox, Eruptions in the Skin.

A vast number of communications have been received by the proprietor, each proving a cure of some of the above diseases, and which might here be introduced, would space permit, but it is hoped the following will be sufficient to please beyond all doubt *THEIR CURATIVE VIRTUE:*

From Dr. Reed, of Virginia

Norfolk, June 12 1844.

Dr. Stainburn—Sir: Since I last wrote you, I have seen several persons who have been using the Vegetable Extract Pills, and in every case they have proved themselves worthy the name they bear. A young man by the name of John Forsythe, had been wasting away in a seated consumption for several years, and by using the Extract Pills for about two weeks, his cough, pains, &c. left him entirely, and he is now so well as to be about his ordinary business. Indeed sir, from the rapidity of the sales, the value of your pills may be safely discerned. I am entirely out, have daily calls for them, and wish you would forward me more as soon as possible.

Yours, &c. THOS. S. REED.

From Massachusetts.

Worcester, June 17, 1844.

Dr. Stainburn—My daughter, who had a distressing cough, raised a great quantity of phlegm, and who was afflicted with palpitation of the heart, had taken a box of your Vegetable Extract Pills, and is now quite well. Others bear testimony to their good effects.

Yours respectfully, JOHN STRIKER, Jr.

From Pennsylvania.

Easton, July 1, 1844.

Dr. Stainburn—I have considerable matter to tell you concerning the Extract Pills, where they have performed cures, when those who have bought them had scarcely any faith in their effects. There is a lady here, now able to attend to her domestic concerns, who was, at the time she commenced taking them, confined to her chamber, and prostrated on her bed. I will tell you more when I see you; please credit my account with the enclosed twenty dollars, and send me by the bearer another gross of pills.

Respectfully, &c., GEO. S. SMITH.

From Connecticut.

New Haven, June 27, 1844.

Dr. Stainburn—Your Vegetable Extract Pills have had wonderful effects in several cases in this town; I sold a box to a man who had been sick with consumption and rheumatic complaints for four or five years, and who was unable to dress himself when he commenced taking them. He has recently sent me word that he felt quite well, could dress himself without any trouble, and thinks he has wholly recovered. I am quite out of the pills; will you send me a lot by the first opportunity?

Yours in haste, R. W. SMALLEY

The Pills are sold Wholesale and Retail at Dr. Stainburn's office, No. 7 Ann Street, and by most of the respectable Druggists in New York. Also, by one agent in each village in the United States.

CAUTION TO AGENTS.

The immense demand for the Stainburn Pills has induced some unprincipled rascals to make a counterfeit, and hawk it about the country; but let agents be aware of these persons, and remember that he who sells a counterfeit medicine, or encourages such vile traffic, is as much to be shunned as the poisonous adder—let him not be housed or fed, drive him from your houses and from your villages, as you would drive away a dangerous pestilence; for be assured the creature who could sell to you a counterfeit pill, to rob you of your health, is base enough to carry the assassin's knife and take away your lives.

My travellers are each furnished with a power of attorney, signed Jas. W. Stainburn, and proved before a Notary Public of the United States, and also by the Clerk of the City of New York; they also bear the Notarial Seals of the United States and the City of New York. You will therefore please to preserve this advertisement, and should any person offer you my medicine without such power of attorney, do not deal with him for your own credit's sake, but point him to it, and say; 'Pay not the man to be despised and shunned.'

N. B. Agents who may desire supplies of my pills before my travellers call upon them, will please forward their orders per mail to No. 7 Ann Street, and oblige their obedient servant

STAINBURN'S MELICATED SOAP.

THIS truly elegant accompaniment to a Ladies Toilet for removing all eruptions of the skin (has created quite a sensation in the fashionable circles in all the large Cities of the Union) Messrs. White & Anderson desirous of promoting the health, comfort and happiness of the Ladies of Cambridge, have obtained the agency for selling this celebrated Medicated Toilet Soap. Its fragrance is more grateful and reviving than the choicest exotics of the Green House—it only can be used to be justly appreciated—yet at the same time its medicinal virtues are the most prominent feature in its composition—the first trial of it produces a happy change, and so magic and pleasant are its effects that wonder and surprise increase as experience grows older.
