For Sale,

A TRACT of LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood. On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence purchased of Mr. William Buchanan.

Also,

A TRACT of LAND containing about three hundred acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling house, just finished, with convenient cellars, two rooms and a passage on the first floor, three rooms and a passage on the second floor, and a garret; a new stone stable, corn house and coach house; an overseer's house with two rooms, lately repaired at the expence of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and a good garden.

On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place.

I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail.

Both of the above places are convenient to mills: there is a mill not more than a quarter of a mile from the last mentioned place; a good neighborhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money.

Doctor Dastuge,

(Lately arrived in this place)

East-street, No. 3, near the public Library,

OFFERS his services to those ladies and gentlemen who may have occasion to employ him: Having passed the best part of his time, since his study, at the principal schools in Montpelier and Paris, particularly in the *Charity and Hotel Dieu Hospitals*, he flatters himself he has acquired sufficient knowledge of physic and surgery to recommend him to the confidence of the inhabitants of this city.

The Doctor has a PREVENTIVE, that any person having suspicion of being infected, by application in the space of three days after connexion, he will engage to cure radically in a few days. Gentlemen, particularly, who by imprudence, may be under some disagreeable apprehension, should not hesitate a moment in making an early application, by which they will secure their health and peace of mind.

Swellings and inflammations from fresh infections, either venereal, gout, rheumatism, or scorbutic, reduced in a short time, without cutting or pain.

The Doctor cures particularly the *rheumatism* and a *certain disorder*, without *mercury*, and in so short a time as will astonish the patient.

Numerous are the unhappy people, as well in the country as in this great city, who unfortunately labor under the above destructive disorders for months and years, suffer their constitutions to be entirely ruined, rather than to apply for proper assistance, and give themselves up for lost.

Let none of either sex despair, in the worst cases, and of ever so long standing; if curable, the doctor will engage to perform a complete cure in the space of six weeks or two months—the patient conforming to the doctor's directions.

Gleets and seminal weaknesses effectually cured.

The doctor likewise makes artificial teeth, and trusses or bandages for all kinds of ruptures, and *pieces* proper to repair defects of the human body, some of which decency will not permit him to explain. The secret on his part was always sacred, as those who have had occasion have experienced.

He has had also great success in performing an operation on the teeth, which takes off the tartar, cleanses and makes them white in an easy manner, no ways painful, and without doing the least injury to the enamel; which operation, together with an opiate dentifrice and elixir he composes, cleanses and fastens the teeth, and is a perfect cure for the scurvy, which so frequently relaxes the gums.

☞ Advice and attendance, *gratis*, to poor and distressed families: The Doctor will only request a certificate of their situations from the ministers of their respective parishes.

To the Voters of the City and County of Baltimore.

THE Subscriber having been appointed Clerk of the court of oyer and terminer and general jail delivery, for Baltimore county, begs leave to make his most grateful acknowledgments to his friends in particular, and the voters of Baltimore county in general, for their friendship manifested towards him whilst he was a candidate for the office of sheriff; and informs them that in consequence of his said appointment, he has declined offering as a candidate for the next sheriffalty; but anticipates the pleasure of being serviceable to them in a different department.

He remains with the greatest regard and esteem,

Their obedient servant,
WM. S. SUMMERS.

To the Voters of the City and County of Baltimore.

HAVING been encouraged by many of my friends in the city and county to offer myself as a candidate to be put in nomination for the Office of SHERIFF, at the ensuing election, I hope it will not be deemed improper thus early to signify my intention, and to solicit the patronage of my friends generally, and the voters of the city and county at large.

Those who have not a personal knowledge of me, will, on enquiry, find that I have been bred to business, and have been conversant in mercantile transactions from early life. Should my fellow-citizens think proper, at the expiration of the time of the present sheriff, to bestow on me the office, I trust my conduct therein will be such as will give satisfaction, if a diligent attention and a faithful discharge of the duties thereof, are capable of doing the same.

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

Caroline Mills for Sale.

WILL be sold at public sale on the premises, on the 2d day of the 9th month, (September) next, a merchant and country mill, with 170 acres of land, on which are sufficient houses for the accommodation of millers and others; situate on the river Rappahannock, about two miles below the town of Port Royal, on a stream of water sufficient for three water wheels and four pair of stones, at almost all seasons of the year; is in the best wheat county perhaps in the state, where no competion can be dreaded and is on tide water.

The merchant mill has two overshot water wheels and three pair of five feet Burr stones, with every apparatus for manufacturing flour to the best advantage, is capable of making ten thousand barrels of flour annually.

The country mill is nearly adjoining the other, has one overshot water wheel, and one pair of five feet Burr stones, is surrounded by wealthy farmers, who have large families and it is known that the profits arising from this country mill alone will more than pay the interest of the money which the whole is supposed to be worth: in short this whole property is thought by judges to be the most valuable of the kind in the state of Virginia, and is sold in consequence of the death of Aquila Jenney, to enable the subscriber to close the concerns of the late partnership of Aquila and Elisha Janney.

Terms of sale will be one fourth in cash, or an approved negociable note at sixty days; the balance in three equal payments, at six, nine and twelve months, bearing interest from the day of sale, and to be secured in such manner as may be determined on and made known at the time and place of sale.
