One cent postal may make you $20 or $30. Write today. Kent County Land Company, J. Waters Russell, President.

J. Waters Russell,
Real Estate Broker,
Chestertown, Maryland.

Changes at Postoffice July 1.

Beginning July 1, the following changes will become effective:

Mr. Howard I. Reed, who has been serving as auxiliary City Carrier, will be made a regular carrier at an annual salary of $800. This will give the town two regular letter carriers and a substitute. The total number of patrons on City Delivery exceeds 2,000, and the service has been in operation only a little over four months.

Mr. Thomas Hogans will succeed Mr. William B. Ashley as carrier on the Star Route between Gratitude and Chestertown. Beginning on Monday the mail will leave Gratitude at six A. M. and arrive at Chestertown at 7 A. M., in time to connect with the morning mail leaving here at 7.37 A. M. The return mail will leave the postoffice at 10.45 A. M. and will leave the railroad station upon the arrival of the train. This will give the people of the lower section of the county much better mail facilities.

The salary of Mr. A. E. Coleman one of the clerks in the postoffice will be increased $100 per year on July 1.

The attention of the public is called to the fact that a recent amendment of the Postal Laws and Regulations provides that on and after July 1, 1917, C. O. D. parcels shall be sent for a fee of 10 cents when the amount to be remitted does not exceed $50, and for a fee of 25 cents when the amount to be remitted does not exceed $100. Such parcels are automatically insured against injury or loss, with additional charge, for their actual value, up to $50 when a 10-cent fee was paid and up to $100 when a 25-cent fee was paid.

The sender of a C. O. D. parcel will not be permitted to pay a fee of only 10 cents thereon when the amount to be remitted is greater than $50, even though he should be willing to accept indemnity only for $50 in case of loss, but when the value of the contents of a parcel exceeds $50 and the remittance to be made to the sender is $50 or less, the parcel may, if the sender so desires have a 25-cent fee paid thereon, entitling him to indemnity for any loss or damage sustained, not in excess of $100. A parcel on which the remittance is to be $50, but on which, because of the money-order fee, the collection from the addressee would be in excess of that amount, will require only a 10 cent fee.

Beginning July 1st, there will be some important changes in the Postal Savings Department which will be explained to depositors by the clerk in charge upon inquiring at the post office.

Battery A. In Chestertown.

Outfitted for life in the open, 50 men, one gun, two caissons and horses, and the pack wagon, representing a section of Battery A. Field Artillery, come to Chestertown on Wednesday evening, a part of the section reaching here in a drenching thunder storm, and the remainder shortly after seven o'clock. The experience was as new to the men and horses as it was to the people of the town and county, and owing to the excessive heat, several of the horses acted badly on the trip from Tolchester where the section encamped on Tuesday night, and the pack wagon drawn by four mules got stalled in the road. The troops were in command of Capt. McLanahan, Lieuts. Edwin Warfield, Jr., and Gustavous Ober, Jr. Upon their arrival in town they went at once to the fair grounds, where in the presence of fully 1500 people the soldiers went through a drill and maneuvers that aroused the spirit of patriotism in the breasts of the muititude and the boys in KaKi were cheered to the echo, It is unfortunate that the heavy rain and the lateness of the arrival of the troops interfered with a more elaborate demonstration, but there was no dampening of the order of the crowd. They were here from all sections to see what hundreds had never seen before in all their lives, a troop of soldiers on the brink of a great world war, preparing to go the front. Following the demonstration at the fair grounds, speeches were delivered at the postoffice corner by Judge James A. Pearce and Capt. McLanahan, as well as by States Attorney Harrison W. Vickers who presided. As a result of the visit of the battery nine recruits were secured, and there is a probability of a number of others joining. Following the speaking the officers were entertained at a reception and dance at the home of Mr. and Mrs. Wilbur W. Hubbard. The soldiers encamped for the night at the fair grounds and left on Thursday morning for a tour of the Eastern Shore. Their visit to Kent will be a memorable one.

LEGAL HOLIDAY.

WEDNESDAY NEXT, JULY 4th, being a legal holiday, the THIRD NATIONAL BANK of Chestertown will be closed. All notes maturing on that day may be attended tothe following day.

ENGINES

Our sales of the "Hercules" Engines have been so satisfactory that the company have made us a "service station." They have placed in our store a line of repairs for these engines of all sizes so that if you have a broken or defective part you do not have to wait for us to send to the factory, but just come to our store and get the part you need. On account of the increased cost of material we have notice of an advance in the price of these engines on June 1. We have decided to accept orders for any sizes of these at the old price up to June 10th. You know you have been thinking of getting an engine for pumping or for grinding feed or sawing wood or for general farm work for sometime, but can you afford to put it off longer. The price of grain and feed makes it necessary for you to grind your own and why wait? save the money to pay for it by letting it do the work for you. Our price up to June 10th, 1917, will be

1½ Horse Power	Uses Gasoline	$ 42.00
3 "	"	85.00
5 "	"	125.00
7 "	"	160.00
9 "	"	220.00
12 "	"	267.00

All use Kerosene and are throttling governor.

After the above date the advance will be decided on account of material and freight increase. The engines all use Webster Magneto recognized as the best one made. No batteries needed. Do not delay. Place your order now.

Yours to serve,
Davis & Satterfield,
Cross Street, near Depot,
Chestertown, - Maryland.
