Union Mill for Sale,

SITUATED on the banks of Jones's falls, from one and an half to two miles from Baltimore. The mill-house is of stone, and sufficiently large, with two good pair of burr stones, and all other aparatus, convenient for manufacturing wheat. There is also belonging to said mill, upwards of 50 acres of land, part of which is in wood, the residue is rich and in cultivation, planted with a variety of fruit trees, handsomely enclosed: it is high and healthy, and has on it a tolerable good dwelling house; stables convenient for two teams of waggon horses, &c.—This property being situated directly on the falls turnpike road, renders it more valuable than is commonly calculated upon, as the carriage thereby will become cheap, easy and certain.—I will take in pay, for the greatest part, good property, either in town or country. For information apply to *Wm. Jessop*, or *Samuel Byrnes*, millers, on Bowly's wharf, or to the subscriber in Montgomery county, Maryland.

N. B. Little or no cash will be required.

Caroline Mills for Sale.

WILL be sold at public sale on the premises, on the 2d day of the 9th month, (September) next, a merchant and country mill, with 170 acres of land, on which are sufficient houses for the accommodation of millers and others; situate on the river Rappahannock, about two miles below the town of Port Royal, on a stream of water sufficient for three water wheels and four pair of stones, at almost all seasons of the year; is in the best wheat county perhaps in the state, where no competion can be dreaded and is on tide water.

The merchant mill has two overshot water wheels and three pair of five feet Burr stones, with every apparatus for manufacturing flour to the best advantage, is capable of making ten thousand barrels of flour annually.

The country mill is nearly adjoining the other, has one overshot water wheel, and one pair of five feet Burr stones, is surrounded by wealthy farmers, who have large families and it is known that the profits arising from this country mill alone will more than pay the interest of the money which the whole is supposed to be worth: in short this whole property is thought by judges to be the most valuable of the kind in the state of Virginia, and is sold in consequence of the death of Aquila Jenney, to enable the subscriber to close the concerns of the late partnership of Aquila and Elisha Janney.

Terms of sale will be one fourth in cash, or an approved negociable note at sixty days; the balance in three equal payments, at six, nine and twelve months, bearing interest from the day of sale, and to be secured in such manner as may be determined on and made known at the time and place of sale.

ELISHA JANNEY,
Surviving partner.

New Academy.

THE Subscribers have this day opened a Seminary of Learning, where will be taught the Dead Languages, Reading, Writing, Arithmetic, Geometry, Trigonometry, Geography, with the Use of the Globes, Astronomy, History, &c. at that healthy and well-known situation, the *Old Gum*, in Anne-Arundel county, four miles from the city of Baltimore. The buildings are extensive, the situation elevated, the views delightfully rural, were formerly erected for a female academy, and as such occupied for a number of years. They solicit the patronage of their friends and the public, and assure them no effort on their part shall be wanting to give general satisfaction to parents. Every attention will be paid to the children, as to their instruction, morals, person and diet. Terms of tuition, board, washing and mending, 130 dollars per annum, payable quarterly. To those who find their own beds a suitable deduction will be made.
