No. 1, *Gay's Enlargement.* A tract of land containing about 600 acres, 4 or 5 miles from the city of Baltimore, upon which are two small tenements: little of the land is cleared, the remainder is well wooded with white and black oak, hickory, &c. A large quantity of ship timber may be had thereon. The main stage road to Philadelphia passes through this tract of land, which has at different periods been the property of colonel Thomas White, Robert Morris and George Gale. It adjoins the lands of general Samuel Smith, Robert Welsh, Enleghard Yeiser, Daniel Bowly and Tobias E. Stansbury. This tract of land lies on the navigable water of Back River, where wild fowl are plenty in the season; several valuable fisheries are thereon and springs of excellent water—On the premises are 150,000 good bricks lately burnt to erect a house, of which, the foundation has been prepared

No. 2. Part of a tract of land called *Well's* Manor, containing about 117 1-2 acres, all in woodland, lies level, between 6 and 7 miles from the city of Baltimore, adjoining the lands of Ebenezer Finley and Thornburg and Miller. The new turnpike road will run near this tract of land—the soil is as good as any in the neighborhood.

No. 3. A three-story brick *Dwelling House*, on Dugan's wharf, with back buildings complete, a good dry cellar under the whole, and in an eligible situation for business.

No. 4. *Betsy's Delight*, a farm containing about 200 acres, situate in Harford county, about 10 miles from Belle-Air, and 20 from Baltimore, adjoining the lands of the reverend Mr. Davis. On this farm is a good apple & peach orchard, & was late the property of Hackett and Grant.

No. 5. The *Ferry House* and *Ferry* on the west side of Susquehanna river, at Havre-de-Grace, with 4 acres of land thereunto belonging: the house is built with brick, large, commodious and airy, with extensive stables and all necessary out-buildings.

No. 6. The *Ferry House* and *Ferry* on the east side of Susquehanna river, where captain Coffield now resides, with 4 acres of land thereunto belonging; to this property is attached the *exclusive right* of the ferry over said river, for several miles above and below it.

No. 7. 64,000 acres of land, lying in Randolph county, state of Virginia, about 150 miles from Baltimore, and 200 from the city of Washington. This land is of the first quality and very heavily timbered.

No. 8. A lot of ten acres of woodland adjoining the town of Havre-de-Grace, being part of a tract of land called the *Convenience.*

No. 9. About one acre of land in Havre-de-Grace, bounded in part by the river Susquehanna, whereon is a good fishery.

The tracts No. 1 and 7, will be divided into lots to suit the purchasers, plats of which, with a further description of the property, may be seen at Mr. Chase's auction room, previous to the sale. RICHARD S. THOMAS.

## The Subscriber

IS authorised to receive Subscriptions of Stock in the WASHINGTON TONTINE. Persons disposed to subscribe, will please to make early application. The views of Mr. Stoddert will be best explained by his letter to me—an extract from which I subjoin.

FRANCIS JOHONNOT.

*"George-town, October 29, 1805.*

"I hope those in Baltimore, who mean to adventure in the Tontine, will make their subscriptions in November, and the earlier in that month, the more agreeable it will be. I want, if possible, to have the whole completed by the first of December, that I may have one month to employ in arranging every thing relating to this institution, in a way, so clear, as to avoid the possibility, at least the probability of altercation hereafter. You know that on the 31st of December every single share of stock must depend upon some life, which cannot afterwards be changed. I wish, indeed, by attention beforehand, to avoid every thing like the necessity of alteration or even explanation afterwards. I mean particularly in regard to the description of the lives chosen for the stock to depend upon.

"In the list you sent me of subscriptions, the description of the lives is not full enough. In but few instances have you mentioned their places of residence; I presume they are all of Baltimore; but I ought to be certain. In some instances you have omitted the names of the parents, in others, their residence—all these things are necessary. Be so good as to send me another list, supplying every thing that the second article of the institution requires. A time will come, when the existence or non-existence of a single share, will be worth a contest.

"I informed you, or meant to do so, sometime ago, that the title to the lots had been examined and approved of by Messrs. Key and Mason, and that the deeds had been drawn and recorded under their direction, as provided by the first article. This was done, I think, in May. The lots have been lately placed in the hands of an agent for sale, and a few have been sold to sufficient profit. The real interest of the institution will probably be best served, by suffering no sales until better times: but it has been thought right to fix the foundation now, for dividends in 808."
