Automobile Accidents.

Messrs. Ulie Smith, Tilden Story, Albert Biddle and Thomas Lloyd while on their way to Chestertown last Saturday night for a doctor to see a sick lady in Double Creek, were run into by a large Overland car near Klinefelter's woods. Mr. Smith's car was turned bottom upwards and all of the occupants except Mr. Lloyd were painfully huat. One of them had his shoulder dislocated, and the other two were badly cut and bruised about the face and body. No bones were broken. The occupants of the Overland car never stopped to render aid but drove off at a rapid speed toward Church Hill. The occupants of Mr. Ulie Smith's car were brought to Chestertown by Mr. J. Thomas Smith and their wounds were dressed by Dr. H. G. Simpers. They are all getting along as well as could be expected. A hub cap from the Overland car was picked up at the scene of the accident but the identity of the car has not been ascertained. It is not known whether it was a Maryland car or was from some other State.

Mr. W. F. Watson and a Mr. Faulkner, of Centreville, had an accident near Easton this week. Mr. Watson, it is said, had three ribs broken and one of his lungs punctured, and is now in the Easton Hospital, in rather a serious condition. Mr. Faulkner, while badly hurt, was more fortunate than was Mr. Watson.
