500 *Dollars Reward!!*

FLED from the city of Baltimore, on Tuesday night, the 18th of March last, GERARD VON HARTEN, a merchant, and partner in the firm of *Kenter & Von Harten*, of that place. Some short time previous to his flight, he forged promissory notes to a very large amount, on twenty-eight of which forged notes (amounting to forty thousand dollars) twenty-eight indictments have been found against him, in the criminal court of Baltimore county.

Gerard Von Harten is a middle-sized man—5 feet, six or seven inches high—about thirty-two years of age—he has a round & regularly-featured face—of fair complexion, with full red cheeks, and is slightly pitted with the small-pox—his eyes are rather small, and of a dark hazel color—his mouth small with a good set of teeth—his hair is dark or chesnut colored, & is cropped short.--He is a native of Germany, and retains much of the Dutch accent in speaking English, which he articulates slowly, and with a little lisp.

When he left Baltimore, he travelled leisurely through Virginia, collecting his debts in Fredericksburg, Richmoud and other parts of the state, and about the first of April was seen at Stanton, near which place he is supposed to be at present. Any person apprehending said VON HARTEN, and lodging him in any jail in the United States, so that he may be brought to punishment for the forgeries lately committed by him in Baltimore, & giving notice thereof to us the subscribers, in said city, shall receive the above reward.

SAMUEL M'KIM and
JEREMIAH SULLIVAN.

N. B. Having debts due him in Kentucky, Tennessee, the Carolinas and Georgia, should he leave Virginia, will probably visit one of these states.

For Sale,

A very valuable TRACT of LAND, in Baltimore county, within 11 1-2 miles of the city of Baltimore, containing 640 acres, seated on a branch of Middle river, which empties into, and is within about 5 miles of the Chesapeake bay There are about 40 acres of this land cleared, the residue, about 600 acres, abounds with valuable timber, calculated for every useful purpose, such as ship-building, staves, &c. The soil is calculated to raise every species of country produce, but it is more particularly adapted for an extensive grazing farm, as more than one-half may be made choice meadow. The river, on which this land is seated, is navigable for vessels drawing about eight feet water, and abounds with the best fish, with which our markets are supplied, and there is not, perhaps, at this time, a tract of land offered for sale in the state, that enjoys more real advantages than this; its contiguity to the city of Baltimore, which is confessedly the best market on the continent, and the advantage of water carriage for ship timber, staves, tan-bark and fire wood, which is always in demand, and bears a flattering price, are objects worthy the attention of any person wanting to purchase such a place. A part of the purchase money will be required down, and a pleasing credit given for the balance. For further particulars apply in Baltimore, to

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

It lies about forty miles to the south-west of fort Cumberland, is on the waters of the Great Youghoughany, and about 4 miles distant from the main road leading through Virginia to the western country. The same is divided into small tracts, comprising from 300 to 400 acres each, to suit purchasers.

2. "*Good Hope.*" This tract lies contiguous to the "land flowing with milk and honey," and contains 389 acres, 120 whereof are natural meadow, the residue is heavily timbered, and in the certificate is described "the first quality land."

3. "Clover Bottom" lies on the Little Crossings, about 3 miles south of Braddock's road, contains 132 acres of land, a part of which is well calculated for meadow, the remainder is well timbered, and of the first quality. Few arms in Maryland, the same distance from Baltimore, are more valuable than this It is of the first quality as to soil, heavily timbered, and nearly the one half of it well adapted to timothy meadow; the residue equally well adapted to the raising of wheat, rye, oats, &c. The one-fifth of the purchase money will be required in hand, the residue in five annual payments. Mr. Grant will show the above land to any person who should be inclined to purchase.
