Girls Have Pretty Face and Beautiful Complexion

An Atlanta man makes new discovery that makes an old face look years younger. If your skin is dark, brown or covered with freckles or blemishes, just use a little Cocotone Skin Whitener; it's made with cocoanut oil and is perfectly harmless. A few days' use will improve your looks 100 per cent. The wornout skin comes off evenly, leaving no evidence of the treatment, the new healthy under-skin appearing as a lovely new complexion.

Just ask your druggist for an ounce of Cocotone Skin Whitener, and if he will not supply you send twenty-five cents to The Cocotone Co., Atlanta, Ga., and they will send you a box by return mail.

If your hair is hard to comb, is kinky, nappy and will never stay straight, just use Cocotone Hair Dressing and it will become straight, long, soft, glossy and beautiful in a few days. Mail orders filled, 25c for large box.

Endorsed at Home.

Such Proof as this Should Convince Any Chestertown Citizen.

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Chestertown adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Thomas S. Clements, retired farmer, S. Mill St., says: "I suffered from backache, and when I had to bend over, I had extremely sharp pains in the small of my back. As Doan's Kidney Pills had been used in my home for several years, I got some from M. A. Toulson's Drug Store. I haven't been troubled since using them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Clements had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

New Red Cross Home.

Through the generouity of Mrs. Hampton Howell, the Talbot Society of the National Red Cross will next week occupy the three-story building on North Washington street adjoining the Masonic Temple.

Mrs. Howell has given the entire building over to this great work, including the storeroom on the ground floor. The building has been cleaned and painted throughout, inside and outside, the floors and walls being given three coats. Steam heating is being installed, and until this is ready Mrs. Howell has placed air-tight stoves in all the rooms.

The storeroom will be used for packing the supplies shipped to France and for bazaar and entertainment purposes. The upper floors will be used as offices and workrooms by the various clubs. It is expected that Miss Earle, the executive secretary, will be in the new headquarters.

None of the Red Cross unites of the State will be better or more comfortably housed than will the Talbot unite.

Has any one quarters to offer the Chestertown Red Cross unit?

INFORMATION TO DRAFTED MEN.

For the information of the drafted men in your county who have not been called to report for examination, I would thank you to give the following notice publicity through the columns of your paper in your next issue.

"Word has been received at the United States Naval Reserve Force Enrollment Office, Baltimore, that all men who have been drafted and not called for examination have the privilege of selecting the military or naval service they desire until December 15, 1917. After this date all men in the selective draft will be examined and classified for hte National Army."

The United States Naval Reserve Force offers a very attractive service for the men in tidewater Maryland, especially those who have been brought up on the water, and are familiar with handling small boats. This branch of the service was created by an Act of Congress passed in August, 1916, primarily to afford our seacoast and inland waters protection, but because of the great need for men of your qualifications, our President is now asking for patriotic men who are willing to do their duty anywhere.

The seacoast of the United States is divided into naval districts. The fifth naval district embraces the entire Chesapeake Bay and the seacoast from Assteague Inlet, Virginia, to New River Inlet, North Carolina. In Maryland the boats patrolling our waters are known as Squadron 8, which includes all the boats formerly in the Maryland Oyster Navy.

How to Enroll in the U. S. N. R. F.

The U. S. S. McLane, flagship of Squadron 8, visits all districts every two weeks and its commanding officer is authorized to enroll men for the purpose of making a physical examination. If you have the desire to enroll in this service, you may communicate with your postmaster or one of the captains of the local boats of Squadron 8, (formerly the Maryland Oyster Navy), or by writing to the commanding officer, U. S. S. McLane, 512 Munsey Building, Baltimore, Md., and arrangements will be made whereby you may be enrolled without expense to you.

Some of the Branches and Pay.

An experienced waterman having handled oyster vessels in the Chesapeake Bay may be enrolled as boatswain's mate which pays from $41.00 to $61.00 per month, others who are thoroughly familiar with marine gasoline engines may be enrolled as machinist's mates with pay from $52.00 to $66.50. Firemen receive from $32.20 to $46.50, oilers $48.70, seamen, $35.90, coxswains $41.00, cooks $35.50 to $66.50, waiters from $32.50 to $34.40, each being provided with clothes to the value of $60.
