Thrift Stamps at Chestertown Postoffice.—Postmaster T. D. Bowers, of Chestertown, has received a supply of Thrift Stamps and cards and they are now on sale at the postoffice. Kent county has been allotted more than three hundred thousand dollars worth of thrift stamps. Every postmaster in Kent county has been supplied and the stamps may be purchased in any town. They will also probably be on sale at banks, stores and other public places. The stamps cost 25 cents each. When purchased they are placed on a small card, with sixteen blank spaces. When all the blank spaces are filled the card may be exchanged for a big Thrift Stamp by the payment of 12 cents. The buyer will have, therefore, invested $4.12. In 1923 the card will be worth $5.

Seed 1000 Years Old.—Rice grown directly from seed grains 1000 years old will be served the Emperor of Japan when he attends the autumn maneuvers of the Japanese Army in Shiga prefecture this winter.
