Marble and granite will advance somewhat by spring, but we will try to keep our prices in reach of all, simply by placing the advance price on the work without advance in our profits, thus upholding our claim to THE MOST REASONABLE MARBLE AND GRANITE DEALERS IN KENT COUNTY.

But we advise early orders so we can have your work ready for placing in the early spring, and as we buy direct from the quarries and not through dealers, we can give you prices that will interest you.

Thanking you for your many orders during the year, as our business nearly doubled in this line, and assuring the public of our best efforts to give satisfaction on future orders, we are
