From the Presbyterian Herald.

THE LAST WISH.

The wish of Mr. Wilson, the celebrated ornithologist, in regard to his burial place, is beautifully expressed in the following lines:

In some wild forest shade,
Under some spreading oak or waving pine,
Or old elm festooned with the budding vine,
Let me be laid.

In this dim lonely grot,
No foot intrusive will disturb my dust;
But o'er me songs of the wild bird shall burst,
Cheering the spot.

Not amid charnal stones,
Or coffins dark and thick with ancient mould,
With tattered pall and fringe of cankered gold,
May rest my bones.

But let the dewy rose,
The snow drop and the violet, lend perfume,
Above the spot where, in my grassy tomb,
I take repose.

Year after year,
Within the silver birch tree o'er me hung,
The chirping wren shall rear her callow young,
Shall build her dwelling near.

And at the purple dawn of day,
The lark shall chaunt a pealing song above,
And the shrill quail shall pipe her song of love,
When eve grows dim and gray.

The black-bird and the thrush,
The golden oriole shall flit around,
And waken with a mellow gust of sound,
The forests' solemn hush.

Birds from the distant sea
Shall sometimes hither flock on snowy wings,
And soar above my dust in airy rings.
Singing a dirge to me.

UNION HOTEL,

Ellicotts' Mills, How. Dis. Md.

THIS old favorite and long established hotel having lately undergone new repairs and extensive additions, rendering it one of the most commodious and pleasant resorts for visitors in the state.

A SHABBY COAT WILL NOT DO FOR ME.—It is not every man that can afford to wear a shabby coat, and worldly wisdom dictates to her disciples the propriety of dressing somewhat beyond their means, but of living within them; for every one sees how we dress, but none see how we live except we choose to let them. As a Further Evidence

THAT the principle of curing disease by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of

Wright's Indian Vegetable Pills,

will certainly result in the complete abolition of disease; we offer the following testimonials from persons of the highest respectability in New York, who have recently been cured of the most obstinate complaints, solely by the use of Wright's Indian Vegetable Pills of the North American College of Health.

Certificates of Cures.

From Jamaica, Long Island.

Dr. Wm. Wright:—Dear Sir,—It is with great satisfaction that I inform you of my having been entirely cured of dyspepsia, of five years' standing, by the use of your Indian Vegetable Pills.

Previous to meeting with your celebrated medicine, I had been under the care of several physicians, and had tried various medicines, but all to no effect. After using one 25 cent box of your pills, however, I experienced so much benefit, that I resolved to persevere in the use of them, according to directions, which I am happy to state has resulted in a perfect cure. In gratitude to you for the great benefit I have received, and also in the hope that others similarly afflicted may be induced to make a trial of your extraordinary medicine, I send you this statement with full liberty to publish the name if you think proper.

Yours, &c. G. C. BLACK.

From New York City.

Dr. Wm. Wright:—Dear Sir,—At your recommendation, I some time since made trial of Wright's Indian Vegetable Pills, of the North American College of Health, and conscientiously assert that for *PURIFYING THE BLOOD AND RENOVATING THE SYSTEM*, I have received more benefit from their use than from any other medicine it has heretofore been my good fortune to meet with.

I am, dear sir, with many thanks, your obliged friend,

C. M. TATE,
No. 60 Hammersly street, New York.

From Warwarsing, N. Y.

Dear Sir,—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pain in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make a trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state have relieved me in a most wonderful manner. I have used the medicine as yet but a short time, and have no doubt, by a perseverance in the use of the medicine according to directions, that I shall in a short time be perfectly restored.

I most willingly recommend said pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use. I remain, yours sincerely,

ASK THE SUFFERER

FROM

ASTHMA

what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation? He will tell you it was "the Olosaonian, or All-Healing Balsam." Ask the Consumptive what has allayed his cough, removed the pain in his side & chest, checked his night-sweats & placed the rose of health upon his cheek? and he will tell you

SHERMAN'S OLOSINIAN,

OR

ALL-HEALING BALSAM.

Ask your friends if they know any thing that will so speedily cure a long and tedious cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and disease of the Throat, as the Olosaonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

Astonishing Cures.

Wm. Bond, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

Henry Jackson, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olosaonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterwards he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

Consumption of the Lungs.

Mr. Comfort, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. Attree, the wife of Wm H. Attree, Jas. Harman, Esq. and George W. Hays, Esq. can all bear testimony from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.

SPITTING OF BLOOD.

Mrs. Thoubourne, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosaonian, and declares it the greatest remedy in the world.

Dennis Kelly, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

David Henderson, 60 Laight street, George W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Livington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.

The Array of Names

which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Bininger, 102 Barclay street; Mr. Wilson, of Hoboken; Mrs. Bell, of Morristown, N. J.; James B. Devoe, 101 Reade street; Mrs. McCadtree, 50 Attorney street; F. Smith, 92 Third avenue; Mrs. Wm. Attree, of this city, and Mrs. Archibald, 35 White st.
