RED CROSS WORKERS MAKING BIG DRIVE IN KENT

Ladies And Men Getting Every Member Possible

If a person does not become a member of the Red Cross in Kent it is not because he is not solicited. At every turn the ladies are stationed and one is "urgently" solicited to become a member, be he Kent countian or a stranger within our gates. Not only are booths stationed at the Postoffice, Stam's Drug Store, Toulson's Drug Store, Sterling's Drug Store, the Candy Kitchen and other places, but several ladies have been making a house-to-house canvas for members. Without doubt, Kent will be among the banner counties in the state in Red Cross memberships.

This is one of the grandest organizations in the world. The Red Cross furnishes first aid to the wounded on the battlefields of France and Belgium, and who should not willingly aid in this noble work? The ladies and men of Kent are giving their time, without stint, to the splendid work and every person who is able should give his dollar gladly, being assured that some wounded soldier, fighting for freedom on a blood-drenched field, will be benefitted by his so doing.

Kent County is sending the noblest of her sons to take up the strenuous task of making the world a safe place in which to live, and every person who can spare the dollar, white or colored, should contribute to the cause the $1 required for membership.

A meeting to aid the Red Cross drive which is being made in Kent this week was held in the Lyceum Theatre on Wednesday evening at 2 p. m. Mrs. Wood, the County Red Cross Chairman, introduced Mr. Howard Turner, Chairman of the drive. He spoke very forcibly of the work that must be done in Kent County to aid this drive. Dr. Cain followed and feelingly spoke of the sacrifices that must be made to keep the war from our own country.

He introduced Dr. Holmes, President of Swarthmore College, who told of the wonderful work the Red Cross is doing to relieve distress caused by war in all lands. Mr. A. A. Harris made a strong appeal to the county to aid in every way in carrying on the war and to uphold the government in every effort. He pointed out how the Red Cross will help our sons who have gone forth to defend our country.

Delightful solos were sung by Mrs. Davidson and Miss Isabelle Beck, accompanied by Mrs. D. B. Ford. The Junior Choral Club sung after the meeting, while the College boys attended in a body and aided in the work of taking subscriptions.
