Declarations of claimants for original pension must be made before a Court of Record, or before some officer thereof having custody of its seal; said officer being fully authorized and empowered to administer and certify any oath or affirmation relating to any pension or application therefor.

The claimant's identity must be proven by two witnesses, certified by the judicial officer to be respectable and credible, who are present and witness the signature of the declarant, and certify to his or her identity under oath or affirmation.

Declarations and other papers should be as legible and as clear in statement as possible.

Where any evidence is already on file in any Department of the Government, a definite description of and specific reference to it will render it available in any subsequent claim.

The post-office address (naming street and number in all large cities) of the applicant, attorney, and witnesses, should be embodied in or accompany every application, and all evidence in each claim; and each change of residence of said parties while communicating with the Pension Office or the pension agents should be stated.

All facts, testimony of which is required to establish a claim, must be proven by the affidavits of two or more credible witnesses, unless other evidence is specified.

Testimony, in support of allegations made in a declaration, may be taken before any officer whose authority and signature are duly certified, and who shall disclaim any interest, direct or indirect, in the prosecution of the claim.

To facilitate the adjudication of claims all the requisite evidence that is available should be forwarded with the application.
