Eight to Eleven Acres a Day
At Less Fuel Cost an Acre

That's the satisfactory result that users of the dependable Waterloo Boy Tractor get in plowing.

It's a "three-plow" tractor under usual field conditions—a dependable source of power that keeps three furrows turning steadily round and round until the plowing is done.

It's a tractor you can use to full satisfaction in pulling your other tractor implements and in operating belt machines.

Up to its rated capacity of 12 H. P. at the draw bar and 25 H. P. at the belt, it will do any of the farm power work that horses or heavy duty stationary or portable engines can do—plenty of reserve power for emergencies.

It burns kerosene perfectly. No motor trouble, delay and expense from imperfect combustion. Saves many dollars in fuel cost. Every drop of kerosene is converted into pure gas by its *patented* kerosene manifold—no mixing of kerosene and lubricating oil—no carbonizing of cylinders or fouling of spark plugs.

The powerful two-cylinder motor with big bore and long stroke, perfectly balanced on a solid foundation runs at a moderate speed *with no vibration.* Gives full power without racking mechanism.

Through detachable protecting plates the working parts of the motor, the transmission and differential are easy to get at to adjust or repair from a standing position.

The Waterloo Boy Tractor Gives Dependable, Economical, Satisfactory Service. Come in. We Want to Show You Why

GEO. W. BALDWIN

CHAUTAUQUA PROGRAM

Annual Event This Year Promises To Be Filled With Interesting Entertainments

The Chautauqua, which will be held from September 2 to September 8, promises to be an interesting and instructive event this year. The program will be as follows:

Tickets for season are on sale at $2.50 each. Children's admission to any session, 25 cents. Sacred concert and address on Sunday to be announced later.

BASEBALL NEWS

League Season Closes Next Saturday, September 6

The Peninsula League closes next Saturday, September 6, with Kennedyville vs. Centreville at Kennedyville; and Millington vs. Queenstown at the latter place. Centreville is ahead in the league with Kennedyville a close second. The season has been a most successful one in every way and the league will doubtless be formed again next year.

The game at Centreville between Centreville and Queenstown Saturday was stopped for a while because of unsatisfactory umpiring. Mr. Frank Jarman, of Chestertown, was called to the diamond and umpired the game in a satisfactory manner.

Jack Enright, former Washington College star twirler, who left here with promise of making a big reputation for himself, is not doing so well this year. He has been farmed out from the International League, where he failed to make good this year.

Coach Wilson, formerly of St. John's College, has secured a position with the Naval Academy in a similar capacity to that which he held at St. John's.

TODAY'S GAMES
Centreville at Queenstown.
Millington at Kennedyville.

TUESDAY'S GAMES
Queenstown at Millington.
Kennedyville at Centreville.

SCORES ON SATURDAY
Millington 5, Kennedyville 4.
Centreville 9, Queenstown 3.

It is practically assured that Cincinnati will win the pennant in the National League, while Chicago has mainchance of winning in the American League.

STANDING OF THE LEAGUE

	won	lost
Centreville	10	4
Kennedyville	8	5
Millington	5	8
Queenstown	4	9

TUESDAY'S SCORES
Kennedyville 10; Queenstown, 6.
Millington, 9; Centreville, 4.

Kennedyville's victory over Queenstown on Tuesday and Millington's defeat of Centreville has given Kennedyville a chance to win the pennant and some hard-fought games are looked for next week. Should Centreville win today, however, they win the pennant.

The Millington-Kennedyville game at Millington Saturday ended in a dispute in the ninth inning and was not finished. Millington stood 5 to 4 when Kennedyville went to bat in the ninth inning. Kennedyville had two on bases with one out, when a dispute arose and the game will probably be played over.

STILL POND

Miss Edith Weyl, of Wilmington, is visiting her friend, Miss Louise Toulson.

Miss Nellie Covington is visiting her friend, Miss Mary Stokes.

Miss Bessie Parr, of Riverdale, has been visiting her cousin, Miss Lucille Parr.

Mr. and Mrs. Moore and son, Mr. Albert Moore, spent last week end with their son, Mr. R. D. Moore.

AUGUST SALE

REDUCTIONS IN LOW SHOES FOR MEN, WOMEN & CHILDREN

Although prices of shoes have doubled in the last few months, and are still climbing higher, with no relief in sight, yet we have been compelled to mark our prices down for quick selling, in order to make room for our fall shoes which are coming in right along.

Our store room is small, our space is limited, and as we bought our fall shoes early to escape the high prices, we have to receive them early, and need the shelf space quickly.

The difference between the advanced price of all high shoes, and our reduced price of low shoes, will enable you to buy two pair for the price of one pair. As spats will be worn a great deal this fall, you will be right in line to save considerably and escape the high cost of fall shoes.

BUY NOW WHILE SIZES AND ASSORTMENTS ARE GOOD.

SALE ENDS AUG. 30.

SACHS' SHOE STORE

FARMS WANTED
IN KENT AND QUEEN ANNES COUNTIES

Having opened an office in Chestertown, I am in a position to sell your farms quickly and satisfactorily. I want farms, big and little, Grass and Grain Farms, Fruit Farms, Truck Farms, Waterfronts and Country Places, Town Property, Village Property, etc.

I Charge No Commissions

I make no charge to owners of farm property for my services in making sales. The owner is paid his full price, free and clear of all expenses and charges.

If you have land for sale write me full description, stating when possession can be had, price, etc., and I will call upon you at once.

FARM FOR SALE.

WHITE HALL STOCK FARM.
ABOUT 307 ACRES

Located two miles from Chestertown, on road to Hanesville, and facing public cross road, connecting with State road, which is about one mile away. Adjoins R. G. Nicholson, James E. Morris and estates of Walter Morris, J. F. Dodson and W. E. Jarrell and the farm occupied by B. F. Rash.

About 265 acres under cultivation. 35 acres in meadow, branch and woodland. Is a productive grain, grass, alfalfa and fruit farm; fine asparagas soil; about 2500 bearing pear and apple trees. This farm is peculiarly adapted for stock raising and dairy farming. Silo 36x13 feet. Two large Horse and Cow Barns, with additional stables, corn cribs, wagon and implement sheds, poultry, sheep and hog houses, dairy, pump and engine house. Good 8-room Dwelling, with three porches. There is a yard of fine shade trees in which is ample stone and brick for foundation and cellar walls for large house should purchaser desire to build.

Suitable location for cannery or milk station at the Pennsylvania railroad, which runs through the edge of the farm.

This is an old estate, having been in the Stewart family over 60 years.

A quick purchaser can buy this p roperty at the right price and on easy terms. Apply to

The best in his Pack
THE FREE SEWING MACINES

THIS is a day of necessity—not extravagance and Santa's gifts are consistent with the day. Not foolish trinklets and novelties but necessary articles like a sewing machine—a sewing machine which will enable you to cut your clothes bill in hlalf.

Santa has left the FREE sewing machine above illustrated at my store for your inspection. Coom in and let me show it to you. If you decide hat you want to own it.

We Will Allow You $12.00 For Your Old Sewing Machine.

JOHN BARTLEY,

Chestertown, Maryland.

WANTED-EGGS for HATCHING

We have increased our incubator capacity, and will want a great many eggs of the following purebred stock for the season of 1920: Barred, White and Buff Plymouth Rocks, Rhode Island Reds, White Wyandottes, Brown Leghorns, or any other purebred stock.

We will start buying eggs for hatching about the first of February, and take them till the middle of June or later. As we have to make our arrangements in advance we would like those that have eggs of purebred stock to sell to communicate with us as to breed, number of hens and about number of eggs you can supply each week.
