TO THE PEOPLE OF KENT COUNTY

Do you think that your Legislaturemen are mind-readers? Will they know how you wish them to vote on the Federal Suffrage Amendment unless you tell them? They ask to hear from their constituents. You are either FOR or AGAINST it. The conscientious ANTI deserves more credit for his active opposition than the one who remains NEUTRAL and says nothing. Don't be passengers while you allow others to row the boat! Will you be proud to say when the Amendment is ratified that you gave no stroke at the oar?

Will you not tell them, also, how you want them to vote on the questions of Prohibition Enforcement, Race Track Gambling, Sunday Laws and Teachers' Salaries.
