Be a Wise Woman

Guard Your Purse!
All wise women now want *some* elastic in their corsets to make them close-fitting and comfortable.
The only elastic fabrics in existence that *don't wear out* are the Nemo—
LASTIKOPS
Cloth and Webbing
These are used *ONLY* in Nemo Corsets.
Elastics used in *all other* corsets are the same old flimsy fabrics you used to get in hose supporters. If you buy such corsets you waste your money.

Clerical Authors.

If the clerical playwright is something of a rarity, the clerical novelist is by no means uncommon. The Roman Catholic Church can boast at least four well-known novelists among its priests—Mgr. Robert Hugh Benson, Mgr. Bickerstaffe-Drew (John Ayscough), Canon Sheehan and Dr. William Barry. Among Anglicans we have Mr. Baring-Gould, George A. Birmingham and Morice Gerard, who is better known to the parishioners of St. Stephen, Coleman street, as Mr. Jessop Teague. Mr. Crockett is an ex-minister of the Scottish Church, while the Free Churches include among their ministers two popular writers of fiction—the brothers Joseph and Silas Hocking—London Chronicle.

25 CENT "DANDERINE" FOR FALLING HAIR AND DANDRUFF---GROWS HAIR
Don't pay 50 cents for worthless hair tonics—Use old, reliable, harmless "Danderine"—Get results.
Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.
There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which, if not remedied, causes the hair roots to shrink, loosen and die—then the hair falls out fast.
A little Danderine tonight—now—anytime—will surely save your hair.
Get a 25-cent bottle of Knowlton's Danderine form any drug store or toilet counter, and, after the first application, you will say it was the best investment you ever made. Your hair will immediately take on that life, lustre and luxurance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

SOUR STOMACH, INDIGESTION, GAS OR DYSPEPSIA---PAPE'S DIAPEPSIN
This delightful stomach regulator brings relief in five minutes—Puts an end to Stomach trouble forever.
"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment Diapepsin comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.
A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.
It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.
