n an extent that made almost impossible for the home team to win. The Penn team was easily the best team that has played here for years. Their passing was fast and true and they found the basket with an accuracy that was tiresome to the home people.

Last evening, Friday, the W. C. team went to Philadelphia and play-the Drexel Institute, while tonight will play the Susquehanna University five at Selinsgrove, Pa. The boys from the High School had been on the aggressive throughout the game, began to pile up the score, increasing it as the game neared the end.

—That the dwellers in the Emerald Isle are some poultry raisers and at the same time successful egg-producers, is evinced by the fact that in 1918 the value of the exports to Great Britain for that year amounted to about 16,000,000 pounds sterling, and it is believed that this amount will be exceeded during the past year. Ireland has now captured the trade from Russia, and a great part of that from Denmark.
