A Valuable Farm

—OF—

NEAR CHESTERTOWN.

Under and by virtue of the authority contained in a decree of the Circuit Court for Kent County, Maryland, wherein Carrie D. Price Colescott et al. were Plaintiffs, and William A. Colescott, Jr., et al., were Defendants, being No. 2072 Chancery in the Circuit Court for Kent County, Maryland, I will offer at public sale in front of the Court House door, at Chestertown, Kent County, Maryland, on

Tuesday, February 24, '20

between the hours of 11 o'clock a. m. and 12 o'clock noon

all that farm known as the "Dr. Frederick Worrell Farm," purchased by Joseph W. Price in his life time, which was devised by the Will and Testament of the said Joseph W. Price, dated the 13th day of December, 1897, unto his daughter, Carrie D. P. Colescott, as will appear by reference to said will, duly executed, admitted to probate and recorded in Wills, Liber J. T. D. No. 1, folio 145.

This farm contains about

254 Acres

of land, more or less

and is one of the most productive farms in Kent county. Few opportunities have been given to secure a farm of the quality and character of the soil on this place. It lies on the right hand side of the public road leading from Worton Station to Chestertown. One of the exits is only a few hundred yards from the State Road, making the farm accessible to railroad and steamboat landing at Chestertown. This farm should attract general attention and those wanting lands in this part of Maryland will do well to examine it. The buildings are a large and substantial frame dwelling in good repair with ample outbuildings located on the farm consisting of stable, carriage house, corn crib, packing house(new), meat house, poultry house, etc. The land is naturally fertile and for years has had one of the best tenant farmers in Kent County.

This farm is in a high state of cultivation, growing good crops of all kinds, with two good asparagus plots, 1000 peach trees just in bearing, apple trees, cherry trees, etc., and is in all respects one of the most desirable farms in Kent County for either home or investment purposes.

TERMS OF SALE—One-third of the purchase money cash on the day of sale and the residue payable in one year from the day of sale, or all cash on day of sale, at option of the purchaser. All unpaid purchase money to bear interest from the day of sale. All crops are reserved and taxes for the current year will be paid by the purchaser.

HOPE H. BARROLL, Trustee.
