Lillian Russell's Warning. Sore Feet; Bad Health

Lillian Russell is a physical wonder. Now in mature years, but having preserved the fresh beauty of youth. In the Chicago Tribune she says: "Care of the feet, hardest worked members of the body, is absolutely essential to health. Irritation from sore feet often causes serious nervous disorders, and nothing brings face wrinkles quicker." Here is the best treatment known to science for all foot ailments. It works through the pores and removes the cause: "Dissolve two tablespoonfuls of Calocide compound in a basin of warm water. Soak the feet in this for full fifteen minutes, gently rubbing the sore parts." The effect is magical. All soreness disappears instantly. Corns and callouses can be peeled right off. It gives instant relief for bunions, aching and sweaty, smelly feet. Any druggist has Calocide in stock or will quickly get it from his wholesale house. A twenty-five cent box usually cures the worst case. Calocide is not a patent medicine. Don't waste money on uncertainties. Insist on getting what you want from the druggist.
