THE TRANSCRIPT

Entered at the Postoffice at Chestertown, Md., as Second Class Matter.

THE friends of T. Allen Goldsborough, Esq., of Denton, are anxious for him to become a candidate for Congress from this district.

EDITOR WILLIAMS, of the Cecil Whig, Elkton, Md., has announced his candidacy for Congress on the Republican ticket from this district. He served a term as State Senator in the Maryland Senate and proved himself a fighter on all public questions that he became interested in, and his entrance in the campaign assures his republican opponent, whoever he may be, of a gloveless political fight throughout the district.

A BILL has been drawn to be presented to the Maryland Legislature to increase the judges' salaries. The proposed bill will raise the Chief Judges' salaries from $6800 to $7200 a year; the Judges of the Supreme Bench of Baltimore City from $5500 to $6500; and the salary of the Associate Judges of the Circuits from $4600 to $6000. If the present cost of living is to remain as it now is, this seems to us to be justifiable, but if normal conditions are to prevail in a short time, then we question the justice or advisability of the passage of such a measure without a referendum.

PRESIDENTIAL NOMINATION

The formal announcement of Attorney-General Palmer of his candidacy this week for President of the United States has brought forth much interest in political circles. It is believed that W. G. McAdoo, former Secretary of the Treasury, and a son-in-law of President Wilson, will also shortly enter the race. In our judgment both Mr. Palmer and Mr. McAdoo will meet with strong opposition in the nomination. Both of these gentlemen were members of the official family of President Wilson, and this alone will cause strong resentment against them from the farmers and many business men. The present unrest of business and social conditions must of necessity be borne by the present Wilson administration, no matter who may really have caused the conditions that now exist, therefore much dissatisfaction that is now abroad in the land will be placed at the political doors of both Mr. Palmer and Mr. McAdoo. It would be unwise at this period to nominate any candidate who has been a part of the official family of the President.

Farmers Vote To Organize Local Exchanges

At the meeting of the farmers of Kent County in the Court House on Thursday, March 4, it was decided to organize a local Produce Exchange, to affiliate with the Peninsular Tomato Growers' Association.

Mr. E. A. Corey presided at the meeting and the County Agent spoke on the method of organization. It was decided that $1.00 per year be the annual dues to the association. A committee of three, consisting of Dr. Copeland, Mr. D. W. Ingersoll and County Agent Derrick, were appointed to obtain or draw up the Constitution and By-Laws for the Kent County Association.

The following statement was signed by seventy farmers present. If your name is not here and you desire to become a member of the Kent County Association you will notify the County Agent to that effect during the week ending March 13.

Court House, Chestertown, Md.
Thursday, March 4, 1920.

I hereby signify that it is my desire to become a member of the Kent Co. Produce Exchange (or other name), to affiliate with the Peninsular Tomato Grawers Association when the local Produce Exchange is duly organized:

Mr. Ernest Drehmann, of Philadelphia, has been visiting Mr. and Mrs. John C. Davis.

Col. Vannort Entertains Grange

The regular semi-monthly meeting of the Chestertown Grange was held Thursday night, March 4, at the home of Col. W. J. Vannort. Mr. and Mrs. W. B. Copper and Mrs. Wheatley were elected members of the Chestertown Grange. Several new names were brought in as prospective members. It was decided that beginning with the second meeting in April, 1920, that initiations into the Chestertown Grange he held quarterly and no person or persons be taken in between these quarterly initiation meetings. At these initiation meetings a spread will be served. It was also decided to divide the Chestertown Grange members into two equal sides and the side obtaining the greatest number of new members before the second meeting in April will be given a spread at a subsequent meeting by the losing side. Further discussions were heard on the constructive program for the Chestertown Grange for 1920 and several new projects added. The Chestertown Grange is fulfilling some of the projects on this program by having the Farmers' Institute meetings come to Chestertown next week. Worton, Fairlee and Chestertown Granges are responsible for the public Farmers Institute meetings being held in the Court House next Wednesday and Thursday.

The County Agent spoke briefly on the coming Farmers' Meetings.

The next meeting will be held on Thursday evening, March 19, at 7.30 p. m., at the residence of J. T. Anthony.

Notice of Petition of New Road.

We, the undersigned Committee, hereby give public notice, in pursuance of the laws of the State of Maryland in such cases made and provided, that a Petition has been filed with the Board of Kent County Commissioners asking that a new road, about one half mile long, be opened, near Kennedyville, through the lands of Mrs. Sallie Lockwood and John McCauley, starting at the School Building and to run at right angles with the public road leading from Kennedyville to Turner's Creek, in the Second Election District.

COMMITTEE OF 45 TAXPAYERS.

Notice of Closing of Public Road.

The undersigned hereby give notice of the proposed closing of the public road in the Second Election District of Kent county, from Shrewsbury Church to road leading from Kennedyville to Turner's Creek landing, joining with lands of the Cockran farm, land of Wm. T. Janvier, Baynard Harper, Robert R. Hill and others. Any objections, if any, to the closing of said road should be filed in writing with the Board of Commissioners on or before the 3rd day of April, 1920.

Why Take Chances On Trucks

SCARCELY one Packard customer out of ten in this territory started his trucking experiences with a Packard.

The real economy of a Packard truck figured over ten years of life may not be clear *to the inexperienced buyer*—and yet nine out of ten men who have ever owned a Packard truck, buy Packard exclusively when they add to their present-day equipment. Records of local owners show that concerns operating two or more Packards have had equal success with each truck—*Packard Truck quality is uniform.*

Independent Ice Company

February 13, 1920.

Packard Motor Car Company,
Baltimore, Maryland.

Gentlemen:—

We have been using Packard Trucks of various sizes over a period of about ten years, exclusively, and have found them a dependable and satisfactory means of transportation in both our Ice and Transfer business.

Very truly yours,
INDEPENDENT ICE COMPANY,
(Signed) Elmer M. Beard,
President.

PACKARD quality is unfailing because each part is made under direct Packard supervision, not "bought up" from all parts of the country—or from makers over whom Packard has no control.

Packard trucks are the most economical. Will you read our cost figures?
