HAMPTON'S
VEGETABLE TINCTURE.

"TRUTH STRANGER THAN FICTION." HOPE FOR ALL!

Cure of Cough, Bronchitis, Rheumatism, &c.

A medicine must have merit, and great merit, too, to stand the test of public opinion. No art of puffing can galvanize a worthless article, so as to keep it up as a good medicine if it be not really so.

In proof of what we say above, we refer you to HAMPTON'S VEGETABLE TINCTURE, and its effects.

The wife of T. W. Yeakle, Grocer, 78 Pearl street, cured of Rheumatism, of eight years' standing; all other remedies failed.

Wm. M. Oldham, (late of the Custom House,) dwelling No. 136 Pine street, of Dyspepsia, great debility; permanently cured.

W. A. Schaffer, Esq., one of the oldest magistrates and most highly respectable citizens, cured of great weakness and restored to robust health.

Jarret Plummer, 158 E. Baltimore street, suffered intensely six years with hip disease and mercurial Rheumatism; cured after all other remedies had failed.

Space will not permit to name hundreds of others, as Geo. W. Goodrich, Capt Thomas Canot, Robert Gault, James Smyth; cured of rheumatism.

John Pervail, S. A. Griffin, John Luke, Rev V. Eskridge, U. S. Navy, and thousand others cured of Dyspepsia, Scrofula, Cough, Liver Complaints, Bronchitis, Saint Vitus' Dance, &c. We refer to our own citizens—call on them.

Captain Benjamin—wherever known, his testimony will be conclusive. But lest those who do not know the Captain should be sceptical, Dr. Dawson & Bro, with others of the best known and most highly respectable citizens of Easton, endorse his wonderful cure by HAMPTON'S VEGETABLE TINCTURE.

EASTON, October 4, 1854.

MESSRS. MORTIMER & MOWBRAY:

Gentlemen—I feel it my duty to you and the public to certify to the good effects of Hampton's Vegetable Tincture. I was for more than five years laboring under a disease of Chronic Rheumatism, and the great part of that time I was so helpless that I had to be helped from my bed, and dressed in my clothes. I became reduced to a mere skeleton. All the medicine I took done me no good, and I continued to grow worse. I heard of Hampton's Tincture, and I thought I would give it a trial. At this time I did not expect to live one day after another. I did not take it (the Tincture) for the Rheumatism, but in a short time I was well of that disease. From the effects of your Tincture, and the help of God, I am now getting in good health.

I wish all the afflicted to try Hampton's Vegetable Tincture, as I have done, with the same good effect that it had on

Your Obedient Servant,
ISAAC BENJAMIN.

We are acquainted with Isaac Benjamin; sold him some of Hampton's Tincture, and believe the above statement correct. DAWSON & BRO.

From our knowledge of Captain Benjamin we are confident that the above statement is true and unexagerated. J. A. JOHNSON.
CHARLES ROBINSON.

Cure of Cough, Hoarseness, &c.

The cry is still they come. Certificate from Hon. J. H. Durboro. We have flood of testimony pouring in upon us of cures—Rheumatism, Dyspepsia, Scrofula, &c., and for all Nervous Diseases and Female Complaints, Hampton's Tincture has no superior.

RINGGOLD, Md., April 10th 1854.

MESSRS. MORTIMER & MOWBRAY:

Gents—It is with real pleasure that I bear testimony to the healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time last Fall I was taken with a serious and bad cough, with hoarseness, so that I could scarely speak above my breath. I called on one of your agents for a remedy, when advised me to try Hampton's Tincture, which I commenced using, and in four days, my cough and hoarseness was entirely gone. I now keep it (the Tincture) as a family medicine, and won't be without it if it can be had.

Yours respectfully,
J. H. DURBORO.

Cure Dyspepsia, Piles, &c.

RINGGOLD, Washington Co., April 15, 1854.

MESSRS. MORTIMER & MOWBRAY:

Dear Sirs: I was induced, by a friend of mine, to try Hampton's Vegetable Tincture for Dyspepsia, with which I am afflicted in its most aggravated and distressing form. I purchased and used one bottle, and it entirely cured me. I have induced others to try it, most of whom, if not all, speak highly of it; and I would say to those who have Dyspepsia, if they will use Hampton's Vegetable Tincture, it will certainly cure them.

Yours, with great respect,
H. NEWCOMER.

RINGGOLD, Md., June 13, 1854,

MESSRS. MORTIMER & MOWBRAY:

Gents: I have been afflicted with the Piles for some years, and could get nothing to help me, until a friend advised me to try Hampton's Vegetable Tincture. I purchased two bottles, and before I had used them both I was entirely cured of this most troublesome disease. All who are plagued with the Piles would do well to give the Tincture a trial. Yours, most respectfully,
JNO. MENTZER.

Unsolicited Testimony— Great cure of Rheumatism.

RINGGOLD, April 17th, 1854.

MESSRS. MORTIMER & MOWBRAY:

Dear Sirs—I have suffered with pain in my side and back and under my shoulder blade for the last six years. I tried nearly all kinds of medicine, but derived no benefit. After I received the first lot of Hampton's Vegetable Tincture from you, I thought I would try what virtue there was in it. I did so, and in a few weeks I felt like I was a new man.—It has cured me. I am now free from pain; my complexion is fine: formerly it was sallow. I have a good appetite and can eat what I please without inconvenience. I have suffered so long and so much for what I now enjoy, that I would advise the afflicted to give this Tincture of Dr. Hampton's a fair trial. Yours, respectfully,
S. MENTZER.

RINGGOLD, Washington Co., April, 17, 1854.

MESSRS. MORTIMER & MOBRAY:

It is a duty I owe to myself and the public to speak in commendation of Hampton's Tincture.—For five years I was afflicted with inflammatory rheumatism in its severest form, unable to do any work or to rest day or night.

Having heard of your valuable medicine, I sent for one bottle; after the using of which I found prompt relief, and on using three bottles more I was surprised to find myself entirely cured. I do take great pleasure in recommanding Hampton's Tincture to the afflicted as a certain and permanent remedy. Yours, respectfully, J. HESS.

The Cosmopolitan Art and Literary Association, organized for the Encouragement and General Diffusion of Literature and the Fine Arts, on a new and original plan

The Committee of Management have the pleasure of announcing that the First Annual Distribution will take place on the 30th of January next, on which occasion there will be distributed or allotted to members several hundred Works of Art, among which is the original and world-renowned Statue of the GREEK SLAVE, by Hiram Powers, costing over five thousand dollars! together with the beautiful Statues of VENUS, BACCHANTE, HEBE, FLORA, and the DANCING GIRL; and fifteen Statuettes in Bronze, imported from Paris; also, a large collection of OIL PAINTINGS, comprising some of the best productions of celebrated American and Foreign Artists.

Plan for the Current Year.

The payment of three dollars constitutes any one a member of this Association, and entitles him to the Knickerbocker Magazine for one year, and also a ticket in the distribution of the Statuary and Paintings which are to be allotted to members in January.

Persons taking five memberships are entitled to five of the Magazines one year, and to *six tickets* in the distribution.

Persons, on becoming members, can have their Magazine commence with any month they choose, and rely on its being mailed to them promptly on the first of every month, direct from New-York.

The net proceeds derived from the sale of memberships are devoted to the purchase of Works of Art for the ensuing year.

Books open to receive names at the Eastern office, New-York, or Western office, Sandusky.

The Gallery of Art is located at Sandusky, (the Western office of the Association,) where *superb Granite Buildings* have been erected for it, and in whose spacious saloons the splendid collection of Statuary and Paintings is exhibited.

The Advantages Secured

by becoming a member of this Association are—

1st. All persons receive the *full value of their subscription at the start*, in the shape of sterling Magazine Literature.

2d. Each member is contributing toward purchasing choice Works of Art, which are to be distributed among themselves, and are at the same time encouraging the Artists of the country, disbursing thousands of dollars through its agency.

Persons remitting funds for membership, should mark letters, "Registered," and state the month with which they wish their magazines to commence, and also *their post office address in full*, on receipt of which, a certificate of membership, together with the magazine desired, will be forwarded to any part of the country.

Those who purchase Magazines at Bookstores will observe that by joining this Association, *they receive the Magazine and Free Ticket in the annual distribution*, all at the same price they now pay for the Magazine alone.

THE BEST REMEDY.
GUINN'S CELEBRATED
WILD CHERRY PECTORAL,

For the cure of Coughs, Colds, Bronchitis, Asthma, Hoarseness, Influenza, Irritation of the Throat and Breast, Croup, Relief of Consumption, &c, &c.

THIS is one of the most efficient remedies for the above diseases known. It is also so pleasant that persons, or children who dislike taking medicine, will take it readily. Its merits have been long known and fully tested by those who are capable of judging of its good effects, and all it requires to fully establish its merits in the mind of any one, is a fair trial. It contains all the medicinal properties of the Wild Cherry Bark in a condensed form, with the addition of a number of other remedies of long esteemed value, and others of more recent discovery, acting with great efficacy for the cure of this class of diseases.

The Proprietors of this medicine could give certificates from a number of the most respected and influential persons who have tested its virtues, but deem it unnecessary, as it needs but a trial on the part of the afflicted to insure its praise.

Prepared only by the Proprietors, Peel & Stevens, Druggists, No. 39 King Street, Alexandria, Va., U. S. A., who alone are authorized and in possession of the valuable Recipe of the late David H. Guinn, and to whom all orders must in future be addressed.

☞For the convenience of the public the Wild Cherry Pectoral will be put up in Square Bottles of two sizes, retail price 50 and 25 cents, on the Wrappers of which will be the written signature of Peel & Stevens.

Sold by all respectable Druggists and Dealers throughout the United States.

BRITISH PERIODICALS.
EARLY COPIES SECURED.

LEONARD SCOTT & CO., New York, continue to re-publish the following British Periodicals, viz:

1.
THE LONDON QUARTERLY (Conservative).
2.
THE EDINBURGH REVIEW (Whig).
3.
THE NORTH BRITISH REVIEW (Free Church).
4.
THE WESTMINSTER REVIEW (Liberal).
5.
BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

☞Arrangements are now permanently made for the receipt of EARLY SHEETS from the British Publishers, by which we are enabled to place ALL OUR REPRINTS in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the [redacted] POSTAGE.—In all the principal Cities and Towns, these works will be delivered, through Agents, FREE OF POSTAGE. When sent by mail, the Postage to any part of the United States will be but TWENTY-FOUR CENTS a year for "Blackwood," and but FOURTEEN CENTS a year for each of the Reviews.

Remittances and communications should always be addressed, post-paid, to the Publishers,

☞This work is NOT the old "Book of the Farm," lately RESUSCITATED and thrown upon the market. dec 21
