NO REST—NO PEACE

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Chestertown people recommend Doan's Kidney Pills. Be guided by their experience.

Mrs. James S. LeCates, High St., Chestertown, says: "Some three years ago I suffered from a run down condition of my kidneys and a very painful backache. My kidneys acted very irregularly, breaking my rest at night. At times black spots would come before my eyes and I had dizzy spells. I suffered severely from shooting pains through the small of my back when I bent over. I finally used one box of Doan's Kidney Pills and got quite a bit of relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lecates had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Adv.)

PROCLAMATION

Proposing Amendments to the Constitution of the State, 1920.

Whereas, at the January Session of the General Assembly of Maryland, held in the year 1920, two Acts were passed, to-wit: Chapter 319 proposing an amendment to Section 15 of Article III of the Constitution of the State, title "Legislative Department," regulating the compensation of Members of both Houses of the General Assembly; and Chapter 565 proposing an amendment to Section 37 of Article 4 of the Constitution of the State, title "Judiciary Department," regulating the pay of Clerks of Courts, and which said Chapters 319 and 565 are in the words and figures following:

CHAPTER 319.

AN ACT to propose an amendment to Section 15 of Article III, of the Constitution of the State of Maryland, title "Legislative Department," regulating the compensation of the members of both Houses of the General Assembly of Maryland, and to provide for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all the members of each of the two Houses concurring), That the following be and the same is hereby proposed as an amendment to Section 15 of Article III, of the Constitution of the State of Maryland, title "Legislative Department," the same if adopted by the legally qualified voters of the State, as herein provided, to become Section 15 of Article III, of the Constitution of the State of Maryland.

15. The General Assembly may continue its session so long as in its judgment the public interest may require for a period not longer than ninety days; and each member thereof shall receive a compensation of three hundred dollars per annum and five dollars per diem for every day he shall attend the session, but not for such days as he may be absent, unless absent on account of sickness or by leave of the House of which he is a member and he shall also receive such mileage as may be allowed by law, not exceeding twenty cents per mile; and the presiding officer of each House shall receive an additional compensation of five dollars per diem. When the General Assembly shall be convened by proclamation of the Governor, the session shall not continue longer than thirty days, and in such case the compensation shall be the same as herein prescribed.

Section 2. And be it further enacted by the authority aforesaid. That said aforegoing section hereby proposed as an amendment to the Constitution of the State of Maryland shall, at the next general election for Members of Congress held in this State, be submitted to the legal and qualified voters of the State, for their adoption or rejection, in pursuance of the directions contained in Article XIV of the Constitution of the State of Maryland, and at the said general election the vote on the said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be printed the words "For the Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by said Fourteen Article of the Constitution, and further proceedings had in accordance with said Article Fourteen.

Approved April 9, 1920.

CHAPTER 565.

AN ACT to amend Section 37 of Article 4, title "Judiciary Department," of the Constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, (three-fifths of all members of each of the two houses concurring), That the following section be, and the same is, hereby proposed as an amendment to Section 37, of Article 4, title "Judiciary Department," of the Constitution of this State, and if adopted by the legal qualified voters thereof, as herein provided, said section shall supersede and stand in the place and instead of Section 37 of said Article 4 of the Constitution of Maryland.

Sec. 27. There shall be a Clerk of each of the said Courts of Baltimore City, except the Supreme Bench, who shall be elected by the legal and qualified voters of said city at the election to be held in said city on the Tuesday next after the first Monday of November, in the year eighteen hundred and sixty-seven, and shall hold his office for six years from the time of his election, and until his successor is elected and qualified, and be re-eligible thereto, subject to be removed for willful neglect of duty or other misdemeanor in office, on conviction in a Court of Law. The salary of each of the said Clerks shall be forty-five hundred dollars a year, payable only out of the fees and receipts collected by the Clerks of said city, and they shall be entitled to no other perquisites or compensation. In case of a vacancy in the office of Clerk of any of said Courts, the Judges of said Supreme Bench of Baltimore City shall have power to fill such vacancy until the general election of Delegates to the General Assembly to be held next thereafter, when a Clerk of said Court shall be elected to serve for six years thereafter; and the provisions of this Article in relation to the appointment of Deputies by the Clerks of the Circuit Courts in the counties shall apply to the Clerks of the Courts in Baltimore City.

Sec. 2. And be it further enacted by the Authority aforesaid, That the said foregoing section hereby proposed as an amendment to the Constitution shall, at the next election for members of Congress to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and twenty (1920), be submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the direction contained in Article 14 of the Constitution of this State; and at the said election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words "For Constitutional Amendment" and "Against Constitutional Amendment," as now provided by law, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article 14 of the said Constitution.

Approved April 9, 1920.

Now, therefore, I, Albert C. Ritchie, Governor of the State of Maryland, in pursuance of the direction contained in Section 1 of Article 14 of the Constitution of Maryland, do hereby order and direct that this Proclamation containing a full, true and correct copy of the text of said Chapters 319 and 565 of the Acts of the General Assembly of Maryland of 1920, be published in at least two newspapers in each of the counties of the State where so many may be published and where not more than one may be published then in that newspaper, and in three newspapers published in the City of Baltimore, one of which shall be published in the German language, once a week for at least three months next preceding the general election to be held in the State of Maryland on Tuesday, the 2nd day of November, 1920, at which election the said proposed amendments to the Constitution shall be submitted in form and manner prescribed by the General Assembly, to the legal and qualified voters of the State for their adoption or rejection.

THE GREAT SEAL OF THE STATE OF MARYLAND

Given under my hand and the Great Seal of the State of Maryland, Done at the City of Annapolis, this 23rd day of July, nineteen hundred and twenty.

ALBERT C. RITCHIE.

PHILIP B. PERLMAN,
Secretary of State.

BASE BALL NEWS

CHESTERTOWN TEAM STILL IN WINNING STRIDE—A GOOD SCHEDULE FOR NEXT WEEK

Chestertown Team To Continue To Play—At a meeting of the baseball fans, held in the Court House on Monday night, sufficient financial backing was insured to make the team a financial success the balance of the season. A storm kept many away that were coming to the meeting. Mr. Harry Graham, Mr. Joseph Wheatley and several others saw a large number of the local fans and were given assurances of financial support and quite a good sum has been collected. Every person who believes in baseball, and is able, should send in some amount to Mr. Graham to help the team. We have the best baseball club that has ever been gotten together in Chestertown and we should keep it here until the end of the season.

"Balloon Ascension" In The Third Defeats Rising Sun—The Rising Sun baseball team, leaders in the Susquehanna League, blew up in the third inning Monday at Chestertown and before they could get back to earth again Chestertown had clinched the game by chalking up six runs. It was simply a case of too much Chestertown from No. 1 to No. 9, inclusive. Wright was on the mound for Chestertown and had the visiting team guessing at all times. Usilton's three-base hit, with three on, was the feature of the contest. Umpire Cloak officiated in his usual efficient manner. The score:

Ty Cobb—Ty Cobb has a long way to go, but if you care to observe the box scores you will notice that at his belated appearance he is still moving steadily forward. Even those who do not care for him must admit that so far through 15 seasons he has never ceased firing as long as there was a target in sight.

Still After Baker—In spite of the fact that Frank Baker has declined to play ball in the American League this year, the Yankees are after him in full tilt to bolster up their crumbling team. It is reported that he will visit New York shortly and there is some chance that he will appear in the New York line-up and follow Babe Ruth at bat.

Lively Game On Friday.—On Friday afternoon Phil Sewell's baseball team defeated a team gotten up by Dr. A. L. Sterling. The game was a lively setto, the score being 6 to 5. The two teams will likely clash again in the near future.

Centreville Beaten Again—Centreville was taken into camp again at that town Tuesday, the score being 5 to 4. Archibald made his debut as a Chestertown pitcher and pitched winning ball. Blackway was hit in the head by a fast one from Schelberg and knocked out, but showed remarkable gameness by coming back and making a run from the pass. Centreville took the lead in the third inning, but Chestertown evened things up in the fifth. Centreville forged ahead in the sixth again, but Chestertown put the game on ice in the eighth, when Kibler and Walls singled and Davis drove them in with a two-bagger. The features of the game were Walls and Ford's running catches; Bounds' and Orrell's fielding and Perry's hitting. The score:

Two-base hits, Kibler, Davis, Perry 2, Whiteley; three-base hits, Aldridge; struck out, by Archibald 9; by Schelberg 8; sacrifices, Usilton, Herbert; stolen bases, Bounds, Kibler, Walls, Johnston, Aldridge; bases on balls, off Archibald 2; off Schelberg 2; hit by pitcher, Blackway, Brennan.

Wright Leaves The Old Ship—Bush Wright, one of our mainstays in the box, left Chestertown this week and has taken a berth with Salisbury. He has done good work for Chestertown and has helped us to win many victories, but he has received gilt-edge support by his team mates. Archibald, of Kennedyville, has been taken on for the balance of the season. Archibald is a good, steady twirler, and has performed here several times this year, always doing well. He has been twiling losing ball because of the fact that his team has played poorly back of him. In our opinion Archibald is nearly as good as Wright and we believe future games will justify this statement.

Gordy Offered Tryout—Jack Dunn, monager of the Baltimore Orioles, offered Pitcher Gordy, of the Chestertown team, a tryout this week, according to a report. Gordy is the best twirler on the shore and Dunn knows a "good thing" when he sees it. He has pitched almost unhittable ball the season for Chestertown.

LOCAL MATTERS

To Erect Temple of Agriculture.—The National Federation of Farmers is planning to erect a $2,000,000 building in Washington, to be known as the Temple of Agriculture, where the offices of all granges, farm bureau, National Board of Farm Federation, and other organizations petraining to agriculture will have their offices. The building will be at 1731 I Street, and will combine the offices of the eight or ten organizations that are now scattered about in different sections of the city.

Note 4000 Years Old.—An unpaid note for four shekels in silver, bearing 40 per cent annual interest for nearly 4,000 years, recently was found among the clay tablets at the University of Pennsylvania Museum by Dr. Leon Legrain. The note was given by a man named Bur-Mama to Il Sinnutum, in October, 1962, B. C., "the year in which King Rim-Sin occupied the town of Dur-Damigilisha." There were four witnesess to the note. Instead of signatures, the witnesses placed their seals on the document.

Population of Queen Anne's Decreasing.—There are one hundred and seventy fewer residents in Queen Anne's county than in 1870 and only 538 more than lived there in 1790. The population of the county for 1920 is 16,001, showing a loss of 838 in the last 10 years and a loss of 2,353 in the last 20 years. In 1910 the population fell below the 18,000 mark and reduced Queen Anne's county's representation in the House of Delegates from three to two members. It had been hoped that the 1920 census might restore the delegate lost 10 years ago.

Auto Accident.—While enroute to the baseball game at Chestertown, between Centreville and Chestertown, the Dodge touring car of Rev. Joshua McCabe, of Whitesville, Del., turned turtle and pinned the six occupants—Mr. McCabe, Asbury Bartlett, Mr. and Mrs. Grant Yeates and Misses Adrienne Roe and Katherine Everett, of Centreville—beneath it. The autoists were members of a camping party at Rolph Wharf, and were on their way to the ball game, when in order to avoid striking an automobile, which came from the road leading to Crumpton, Mr. McCabe guided his car into a bank.

The Wye Oak—Beyond Centreville and by the side of the road, "where the race of men go by," stands the famous Wye Oak, and beneath its spreading branches many a traveler tarries for a while. The tree stands 89 feet in height, with a spread of about 380 feet, and the largest limb has a diameter of 2 1-2 feet. The sum of five thousand dollars has been spent to preserve it and it bids fair to stand for centuries to come. If the histories of the many important events that have transpired beneath its giant branches were recorded quite an interesting volume would be filled.

Rabbit Hunting Becoming More Popular.—The training of rabbit hounds in Kent County, which had been on the wane for many years, has received quite an impetus recently, and the coming fall promises to witness a great revival of the sport. During the past few years real rabbit hunting has been done with fox hounds almost entirely in this county, but the local gunners now have some real "honest-to-goodness" rabbit dogs that will trail right and hunt well. Messrs. Edgar Clark, Grover and Tilden Hadaway, Samuel E. Cooper, Fred Robinson, Gilbert, William and Carroll Hadaway, Lee Robinson and Foster Brown have rabbit dogs that are good ones and a rabbit has to go or get caught.

Our Biggest Cities—Director of the Census Rogers gives a list of the cities of 200,000 and over, in their order, completed up to July 28, but subject to correction, as follows: New York, 5,621,151; Chicago, 2,701,212; Philadelphia,1,823,158; Detroit, 993,739; Cleveland, 796,836; St. Louis, 772,897; Boston, 747,923; Baltimore, 733,826; Pittsburg, 588,193; Los Angeles, 575,480; San Francisco, 508,410; Buffalo, 505,-875; Milwaukee, 457,147; Washington, 437,571; Newark, 415,609; Cincinnati, 401,247; New Orleans, 387,408; Minneapolis, 380,498; Seattle, 315,652; Indianapolis, 314,194; Jersey City, 297,-Rochester, 295,850; Portland, 258,288; Denver, 256,369; Toledo, 243,109; Columbus, 237,031; Louisville, 234,891; St. Paul, 234,595; Oakland, 216,361; Akron, 208,435; Atlanta, 200,616.

—At a meeting of the State Roads Commission a few days ago, Governor Ritchie expressed approval of the proposition to place warning signs along the State roads which an advertising firm has offered free of charge. He declared that the signs, which have alternating lights at night, will add to the safety of automobilists. Members of the Commission concurred in this view. Chairman Mackall declared that the signs, if accepted, would save the state $500,000.
