# Mammoth $35,000.00 Stock

will go on sale to be at price sacrifices that will amaze and startle every man, woman and child in the State of Maryland.

"I'M THE MAN" that has been brought here by Mr. Harry F. Jefferson to put on this sale. Everything from floor to ceiling, from cellar to roof, has been reduced. It has been turned over to me with positive instructions to sell. So sell I must! We will put this entire stock into bargain bins, hang it on racks, pile it on tables, to make examination thorough and choosing easy. We will spare nothing. We will mark it all at bargain prices for quick disposal, convert it into cash in the shortest time possible. Our low prices will turn this community into a mass of buyers. Costs and present prices will be entirely ignored in our eagerness to sell in a very limited time. Mark well the day and date and come. You will not be disappointed in a single thing here. You will see the selling sensation of all Maryland. Don't take my word for it. Come, let your eyes be the judge. Thank you. Yours truly, ALFRED H. OPPENBERG.
