The official board of Christ M. P. Church has increased the salary of the pastor, Rev. N. O. Gibson, from $1800 to $2000 for the next conference year. Rev. Gibson is a preacher of power, and is weilding a tremendous influence for good in this community. His return to this charge next year is assured. Conference Delegate C. S. Smith has been instructed to invite the conference to Chestertown for its next annual session.

The Wilmington Conference, in session at Crisfield, has, at the request of Dist. Supt. Wise, changed the name of this, Easton District, to Middletown District. Mr. Wise's home is in Middletown. The visiting members of the Conference are finding much interest in Crisfield's sea food industry and are spending much of their spare time around the sea food plants, which is the chief industry of this town. An account of the Conference Proceedings will be found elsewhere in this issue.

Rev. O. E. Jones, the pastor, being away at Conference, no preaching services will be held in the Chestertown M. E. Church. Sunday School and Epworth League services as usual.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
