Sale of a Church.—Rev. James Miller, of this place, as agent for the Association, put up at public auction the Baptist church building at Barton last Tuesday. Mrs. Elizabeth Neff bought the property for $210, and will convey it to the Baltimore Conference, M. E. Church, South. The building cost originally $1,000 and is situated in a business portion of the town. It is expected that the church will at once collect their scattered members in that vicinity and organize there.

A Captain's Fortunate Discovery.—Capt. Coleman, schr. Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Discovery for Consumption. It not only gave him instant relief, but allayed the extreme soreness in his breast. His children were similarly affected and a single dose had the same happy effect. Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner. Free trial bottles of this standard remedy at G. A. Wingert's drug store.

Interesting Experiences.—Hiram Cameron, Furniture Dealer, of Columbus, Ga., tells his experience thus: "For three years have tried every remedy on the market for Stomach and Kidney Disorders, but got no relief until I used Electric Bitters. Took five bottles and am now cured, and think Electric Bitters the best blood purifier in the world." Major A. B. Reed, of West Liberty, Ky., used Electric Bitters for an old standing Kidney Affection and says: "Nothing has ever done me so much good as Electric Bitters." Sold at 50 cents a bottle by G. A. Wingert.
