—NOTICE—

FOURTH LIBERTY BONDS:—

Holders of the permanent 4¼ per cent. coupon bonds of the Fourth Liberty Loan will receive on April 15th their semi annual interest falling due on these bonds. However, the Holders of Temporary Fourth Liberty Loan Bonds will be unable to collect their interest unless they exchange their bonds for the permanent ones. Poultry Demonstrations

County Agent H. B. Derrick has arranged for Mr. Harry Rickey, poultry specialist, to visit Kent next week and give a series of poultry demonstrations. The principal feature will be to show all who attend how to cull their flock of poultry so as to discard the boarders and know which are the profitable hens

Fairlee Grange has arranged for the first one, which will be held at Mr. and Mrs. Henry Anderson's farm near Fairlee on Wednesday next, April 13, at 1.30 p. m.

Thursday demonstration has been arranged for by Still Pond Grange and will be held at Miss Angie Rasin's residence in Still Pond at 2.00 p. m. on Thursday, April 14.

The third demonstration will be held Friday, but the place has not been decided upon as yet, however it will likely be in the vicinity of Chestertown.

Everyone is invited to attend these demonstrations. It will mean money saved to learn how to cull a flock of poultry. Among other features everyone will have an opportunity to consult Mr. Rickey on any subject regarding poultry.

WHAT IS YOUR PLAN?

Most men have well defined plans to accomplish a certain purpose in this life. Perhaps it is your plan to accumulate an independent estate for your family or your old age. There are just nineteen chances to one against you in fulfillment of your plan, if you attempt it unaided.

Why take chances when there is a plan 100 per cent. sure and certain.

Let us advise you about this all important personal matter.

Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
