Fordson
TRACTOR

"Henry Ford Was Right When He Said:

'The Tractor will enable the farmer to work fewer hours in the day, giving him more time to enjoy life. I believe the tractor will make farming what it ought to be —the most pleasant, the most healthful, the most profitable business on earth'."

This tractor has done much—very much—in bringing true Mr. Ford's prophecy; for in it is a machine which has harnessed one of the most dependable, efficient, adaptable, economical sources of power in the world—a machine that saves from thirty to fifty per cent of the farmer's time — a machine which many farmers claim plows, harrows or drills as much ground in the same time as four, six or even eight horses. And more —a machine that takes care of every power job on the farm.

Call and let's talk it over, or telephone or drop us a card and we will bring the facts to you.

SPORTING NOTES

Continued from page 6

Eddystone brought a big aggregation of baseball players and fans to Chestertown on Monday and played Chestertown a fairly interesting game of baseball. Chestertown won 11 to 3. Robinson was on the mound for Chestertown and held the visitors safe at all times, although he was frequently a trifle wild. Lee Robinson was behind the bat and caught a good game. Herbert Usilton played first; Carey Jarman, second; Barber Bartley, short stop; Perry, third; and Seigenfuse, Wilmer and Strong in the outfield. A home run smash to the fence, a terrific three-base drive by Wilmer and a pretty catch of a drive over second of what looked like a hit, by Bartley, were the features of the game.

The Chestertown colored baseball team won the Eastern Shore championship from Denton Monday by the score of 8 to 3.

Centreville baseball fans have begun preparations to become a member of the Eastern Shore Baseball League, when it is formed. Chestertown will doubtless become a member of the organization also.

Snow Hill, Salisbury, Cambridge, Princess Anne, Crisfield, Pocomoke, and Laurel all claim to have had the best baseball team on the Shore. We humbly put forward the name of the Chestertown team, and add that our team, or the Centreville team at the last of the season, either one could have defeated any of the above-named teams in a series of games.

The Chestertown baseball team will play Middletown at that place today, Saturday.

Bank Notes To Be Smaller—The government soon will radically change the form of its paper money, which has remained unaltered almost since the foundation of the republic. Bills will be made smaller in size. Several reasons dictate the change. First is that of ecoonmy. The new plans are to secure five notes from a sheet instead of four, as at present. Another reason for the change as explained by a high Treasury official is wholly practical. He said a shorter and smaller note will be more easily counted by tellers, cashiers and all who have to handle large sums of money.
