Fishing Days

It's early in the mornin' when most folks are fast asleep
That the fishes wake an' swish about an' slide an' dive an' leap;
It's then y' grab yer hook an' line an' can o' lively bait,
An' y' hike down to the river, light yer pipe, an' then jest wait.

Y' get a bite, y' hook a pike, yer dog snores a peaceful tune,
As the cheery sun steals in the east on its way to the silver moon;
Y' puff yer old corn cob, an' then y' swing yer feet with glee;
Y're at peace with the world while the fishes bite 'an' as happy as y' can be.

The folks that sleep thru' fishin' days an' never feel the thrill
Of the mystic, temptin' river, flowin' merrily down the hill
Are missin' half the joy o' life in a sleep both day an' night
That's not one mite as refreshin', b' gosh, as watchin' the fishes bite!

Press Associations To Meet—A joint meeting of the Del-Mar-Via and Md. Press Associations will be held at Easton, Md., on Monday and Tuesday, Sept. 26 and 27. Invitations have been extended by S. E. Shannahan, of Easton, who is president of the Del-Mar-Via Association and secretary of the Maryland association. The indications are that it will be the best attended meeting yet held by these associations. This is the ideal time for a visit to the Eastern Shore of Maryland.

You've Struck it Right when you Light a CAMEL

Your taste will tell you that! For Camels have the flavor and fragrance of choicest tobaccos, perfectly blended. They're smooth and mellow-mild.

And there's NO CIGARETTY AFTER-TASTE.

We put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

That's why Camels are THE QUALITY CIGARETTE.

MILLINGTON

Millington Council No. 80, Daughters of America, had its regular annual visitation of State Officers on Wednesday last and a very enjoyable evening was spent by all present. Interesting and instructive addresses were made by Mrs. Elizabeth Primrose, State Councilor, of Baltimore, Mrs. Marie I. Connors, State Secretary, of Baltimore, and Mrs. Etta Lum, Associate State Councilor, of Chesapeake City, and by other visitors present. This council is in good working order and is growing in membership.

Miss Hilda Anthony was taken to Elkton Hospital on Wednesday suffering from appendicitis.

Little Pauline Jones, daughter of Mr. and Mrs. C. P. Jones, is slowly recovering from a severe case of typhoid fever.

Copious showers have fallen in this vicinity this week, breaking the long drought, to the joy and comfort of all.

Jane Wilmore, a colored well-digger, was taken to Elkton Hospital this week, suffering with typhoid fever, being the third case to develop in Sandfield, a colored settlement, one of which terminated fatally.

Mr. Clarence Bennett and wife, of Wilmington, and Mr. Will Harmon, of St. Georges, Del., were guests of Mrs. Annie S. Price on Monday.

Mr. and Mrs. F. C. Numbers entertained for a few days this week Mrs. Elizabeth Primrose and Mrs. Marie I. Connors, of Baltimore.

Mr. Martin Ellwanger and sister, Miss Phoebe Ellwanger, of Viola, Del., visited Mrs. Mary B. Aydelotte on last Tuesday.

Mrs. Mary C. Porter, of Clayton, Del., is visiting Mrs. Eva Marvel.
