LOCAL MATTERS

Tag Day Very Successful—The Tag Day of the Junior Chautauqua was very successful and brought them the nice sum of $37.35, which the boys and girls decided to use in buying books for their department in the Public Library. The Library Board is very much pleased with the decision of the children and assure them that several new books will be added to their library every month. The Board is glad to tell the children that four new books have already been ordered, including a brand new copy of "The Little Colonel," which is worn out.

Celebrated First Anniversary—Old Kent Chapter, D. A. R., celebrated its first birthday anniversary Sept. 10 at the home of Mrs. H. M. Stuart. The following officers were elected for the ensuing year: Regent, Miss Sarah Elisabeth Stuart; vice regent, Mrs. H. B. Simmons; Rec. Sec., Miss Fannie E. Stuart; Treas., Mrs. W. T. Brown; Registrar, Mrs. W. I. Walker; Chaplain, Miss Jeanette Gooding; Historian, Mrs. Wm. G. Smyth; Librarian, Mrs. L. E. Barrett; Chairman of Magazine Committee, Mrs. P. V. Hendrickson; Committee on Programs, Miss Ella Roberts and Mrs. Wm. Truslow. The chapter reports an eighty-five per cent increase in membership for year.

Passenger Busses Ordered—An announcement of considerable interest to the public of the Eastern Shore was made last week by The Shore Transit Line to the effect that three more passenger busses had been ordered and that active operations of the company would commence December 1. The company several weeks ago ordered its first buss, which will be delivered Sept. 25 and will be thoroughly tried out and approved by motor engineers before the remaining busses are delivered. The company has completed negotiations for the location of a freight and passenger depot and offices in Salisbury. Chas. L. Walker & Co., of Phila., will underwrite the stock issue and under the terms of the agreement the majority of the stock is to be sold on the Eastern Shore.

HARD TIMES

Some folks talk of hard times coming. There is no such thing. It is only the soft times going. Every thing is getting on a more solid foundation and will stay there. The reason people are buying Life insuranee today, is not to spend money, but save it and increase their estate. We must save if we expect to get anywhere. There is no better way to save money with safety than by depositing it with "The National."

THE UNIVERSAL CAR

GENUINE FORD SERVICE—AND PARTS

INSIST on genuine Ford parts for your Ford car. Mail order houses, stores and many garages sell imitation—counterfeit parts which have not the quality of the genuine Ford parts, but the Authorized Ford Dealers as well as the Authorized Sales and Service Dealers sell only the genuine Ford-made Ford parts. You are safe with them, while your car is mightly unsafe if repaired with imitation parts. The real Ford parts are made from the same properly heat-treated steel as their counter-parts in the Ford car. Every part is heat-treated according to its use. Depending upon the service they perform, Ford parts are tempered to insure the longest life. Tested after almost every operation while being manufactured, these parts present a vast difference from those not manufactured under Ford supervision. Counterfeit parts range from thirty to seventy-five per cent below the quality of the Ford standard. Don't take chances; demand Ford parts, they're safer. Bring your Ford to us and thus make "assurance double sure." If you want a Ford car, truck or Fordson tractor, leave your order without delay, as now we can make fairly prompt delivery—Touring Cars, Coupes, Sedans, Runabouts, Trucks and Fordson Tractors. Why not drop in and talk over your wants?
