The Fountain of Vitality.

The source of physical energy and mental activity, is the blood. Let this become vitiated with bile, or thin and watery in consequence of indigestion and non-assimilation of the food, and an interruption of the functions of the body, and a loss of stamina, flesh and appetite ensues. Hostetter's Stomach Bitters is a tonic especially adapted to restore all three, because it assists digestion and assimilation, and removes bile and other impurities from the circulation. Protected and strengthened with this admirable defensive invigorant, the system defies influences inimical to health, to which, if unregulated and feeble, it would undoubtedly succumb. Constipation often an obstinate and chronic ailment, is entirely removed by it, the liver, kidneys and bladder roused *from inaction, and a tendency to rheumatism effectually counteracted.* It also eradicates malarial disease.

AMERICAN PERCHERON BREEDERS' ASSOCIATION.—At the annual meeting, held at Chicago Nov. 17, Secretary S. D. Thompson made the following report of progress: "The progress of our association since its reorganization one year ago as a stock association is unprecedented in the history of any like organization. Without one dollar in the treasury, we have in that short time collected the large sum of $11,420. Out of this we have expended for fair and other purposes $9,702, leaving a balance to the credit of the association of $1,718, to which is to be added $2,500 of the capital stock that is as good as cash, making the grand total in favor of the association $4,248. The membership numbers 180 *bona fide* stockholders, representing $2,470 of the capital stock"

Indigestion.

Many persons lose appetite and strength, become emaciated, suffer, and die, because of defective nutrition, who might have been restored to health by Ayer's Sarsaparilla. This medicine acts upon the digestive organs, through the blood, and has effected many wonderful cures.

For years I suffered from Loss of Appetite and Indigestion, and failed to find relief, until I began taking Ayer's Sarsaparilla. Three bottles of this medicine

Entirely Cured

me, and my appetite and digestion are now perfect.—Fred G. Bower, 496 Seventh st., South Boston, Mass.

I have, for years, suffered acutely from Dyspepsia, scarcely taking a meal, until within the past few months, without enduring the most distressing pains of Indigestion. My stomach sometimes rejected all food. I became greatly reduced in strength, and very despondent. Satisfied, at last, that my trouble was of a scrofulous nature, I began taking Ayer's Sarsaparilla, and believe it has saved my life. My appetite and digestion are now good, and my health is perfect.—Oliver T. Adams, Spencer, Ohio.
