CORNER STONE LAID

Last Sunday, October 2, A Day Long To Be Remembered At Skinners Neck M. P. Church

Sunday, Oct. 2, 1921, will be a date long to be remembered by the people of Skinners Neck, when the opening services were held in the new Methodist Protestant Church there.

At 2 o'clock the pastor, Rev. A. F. T. Raum, with Rev. J. H. Sheridan, Supt. of Church Extension of the Maryland Annual Conference, and Rev. J. L. Elderdice, together with the congregation present, participated in the exercises incident to the laying of the corner stone. Then the congregation entered the new church, where, after singing "We're Marching to Zion," Rev. J. L. Elderdice led in prayer. Wesley Chapel choir rendered an anthem. Scripture reading by Rev. J. M. Sheridan. Duet by Mrs. A. C. Raum and Miss Edith Gilbert, of Baltimore. The pastor then delivered the first sermon in the new church. After giving a short history of the enterprise, he spoke from Exodus, 14th Chapter, 15th verse. After the sermon, Mr. Elwood Burgess, Supt. of Wesley Chapel S. S., presented a Bible for the pulpit of the new church, the Bible being a gift from Wesley Chapel S. S. Mr. James Boulter presented the church with the new organ, a gift from Mr. Howard Kendall. Mr. Herman H. Dierker presented the deed for the lot to the church. All these gifts were accepted on behalf of the church by the pastor.

Rev. J. M. Sheridan then took charge of the exercises in an effort to raise in full the cost of the building. $2200 was the amount needed, including the original subscriptions. After reading the list it was found to be $500 short of the total and after the new subscriptions were taken the amount totalled $2202, or an amount equal to all present bills. Pulpit chairs and stove are still needed and will, without doubt, be forthcoming.

At night Dr. Sheridan preached the sermon and the building was dedicated to the worship of God. At both services there was a good congregation present, with friends from all parts of the county. The pastor and trustees desire to thank everyone for their assistance in the erection of their church.

It took YEARS and YEARS to develop CAMEL QUALITY

CHURCH NOTES

Instead of the customary rally day, our S. S. planned a rally week. It was preceded by missionary exercises on Sunday, Sept. 25. Mrs. A. G. Riffel, representing the W. F. M. S., made a missionary address to the S. S. in the morning and spoke in the church in the evening. On Monday evening, Sept. 26, the Rev. O. H. Connelly, of Millington, gave an address on "A Progressive S. S." On Thursday evening we held a S. S. supper. Everything was free and everybody was urged to come. Following the supper the Rev. G. E. Sterling, of Galena, addressed us on "Holding the Interest of the Young people for the S. S." On Wednesday evening the Rev. J. T. Rowlenson, of Crumpton, gave us an address on "The Religious Training of Children." On Thursday evening the Rev. H. C. Collins, rector of Shrewsbury Church, spoke on "Home Co-operation and Home Religion." Rev. and Mrs. Connelly kindly came over and sang for us again. All of the addresses were of a very high order. On Sunday evening, Oct. 2, the S. S. gave a pageant, "The Coming of Truth." About fifty characters were required and all the parts were well taken. The rendering of this pageant was such as to be a credit to any rural church. All our people were pleased with the week and felt that it had been an uplift not only to the S. S., but to every department of the church.

Girls' Clubs Show Progress

Ten Girls' Clubs met last week with a large attendance. The girls showed a marked improvement over last year, in the ease of manner with which they conducted their meetings. A large part of the time now is being spent in finishing up the year's work in a creditable manner in order that they may receive a certificate of award for completed work. Fully three-fourths of the members have finished the year's work and are making plans for next year's work. A great many girls are getting sewing, poultry and canned goods ready for the County Exhibit. The forty-four girls who attended the County Camp at Washington College and the nine girls who attended Girls' and Boys' Club Week at College Park are distinguishing themselves as leaders in the club work. Some girls have come back with the desire to start work in bread making, others want to make their own hats, and still others want to conduct a winter demonstration in feeding laying hens. Girls who have made considerable money out of poultry this year are planning to rearrange their bedrooms and make them attractive. The Clubs that do best work will start work on the Hot School Lunch.

At the next club meetings, which will be held from October 17 to October 21, inclusive, the girls will be given a demonstration in patching and darning. A part of the time will be spent in giving instructions on keeping the poultry record and in writing the story of the year's work.

On all bills presented, that would be of vital importance to the People of Kent County, I shall be glad to consult with the People and vote their decision. Vote for John E. Speicher, Jr., Republican Candidate for the House of Delegates.—adv. 08-tf

Famous Craft Finds Haven—The famed schooner yacht, America, winner of the trophy, "The American Cup," in English waters in 1851, which has been kept on this side of the Atlantic in every succeeding contest, passed through the Chesapeake and Delaware Canal on Wednesday en route from Boston to Annapolis, where she will be preserved at the Naval Academy. She was escorted by submarine chaser 408. Her last owner, C. H. W. Foster, a Boston yachman, offered her to the Navy Department as a gift, which was accepted upon his acceptance of $1 as nominal consideration.

Mr. Norman Peterson, of the Kent News force, will leave for Baltimore Sunday, where he will go to the government hospital at Fort McHenry and have his tonsils removed.
