Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

PENINSULA-WIDE CONGRESS

RESOLUTION ADOPTED AT SPECIAL MEETING HELD ON MONDAY LAST

A resolution was adopted by the Board of Governors of the Del-Mar-Va Eastern Shore Association at a special meeting in the Club Room of the Wicomico Hotel, Salisbury, Md., on Monday providing for the calling of a Peninsula-wide Congress, to be known as a "Del-Mar-Va Takes Inventory Congress" to be held during the middle or latter part of January. Dr. Paul E. Titsworth, of Washington College attended this meeting.

The resolution providing for this Congress outlines that it would appear helpful at this time to inquire into the general conditions of business on the Peninsula and to determine and analyze the factors influencing agriculture in its various phases, together with banking and merchantile trades, resort business, manufacturing and building industries, as a means of noting what progress is being made and also of ascertaining what indications or tendencies there are toward disorganization, if any, which the combined business interests of the Peninsula should undertake to correct.

The plan adopted by the Association Governors, as outlined is to authorize the appointment of delegates representatives of the various sections, counties and municipalities on the Peninsula and of all classes of business, industry and related organization, including Federal, State, County and Municipal officers, and representatives of the Universities, colleges and all branches of the learned professions on the Eastern Shore, for attendance and participation in the deliberations of the Congress.

Governors of the three States, Robert F. Robinson, of Delaware; Albert C. Ritchie, of Maryland; and Harry F. Byrd, of Virginia, will be requested to sponsor this Congress in an honorary capacity and to address the same. The following associations will be requested to join with the Del-Mar-Va Eastern Shore Association in issuing the call for and actively sponsoring the Congress: The Bankers Associations of Delaware, Maryland, and Virginia; The Tri-State Packers Association; Peninsula Fertilizer Associtaoin; Peninsula Horticultural Society, Eastern Shore of Virginia Produce Exchange, Peninsula Produce Exchange, Federated Fruit and Vegetable Growers, Inc.; Farmers Cooperative Association; The Federated Farm Bureau, Service Citizens of Delaware Chambers of Commerce of Wilmington and the Eastern Shore of Virginia, and other communities and counties on the Del-Mar-Va Peninsula; the Agricultural Extension Departments of the Universities of Delaware, Maryland and Virginia; and Washington College in Maryland.

Harvey J. Hill, former Executive Director of the Association, has been engaged to project the Congress, and in outlining his plan he covered very definitely the purpose of such a Congress, saying that it might be compared with the holding of a large mirror or looking glass over the Peninsula and viewing in an unbiased and matter of fact manner the conditions in all lines of business as they actually exist.

President Fred P. Adkins, was authorized to appoint a special committee on Congress arrangements and such other special business commissions and subcommittees to serve therewith as may be necessary to arrange for the various inquires, investigations and reports to be considered by the Congress.

It is planned to hold the affair at the Armory in Salisbury and it is possible that because of the large number of matters to be considered it may be a two day affair. This will be definitely determined as the program of arrangements is worked out.

In discussing the proposed Congress before the Governors of the Association Mr. Hill made plain the necessity of securing definite data through reliable committees or commissions, representing each industry and line of business on the Peninsula, and to offer these facts before the convention in such a manner that they may be treated thoroughly, with the view of securing any or correction for the betterment of the individual line or the Peninsula as a whole.

Keen interest and hearty approval of the plan was displayed by the governors attending and there is every indication that the proposed Congress will be one of the most impressive and valuable gatherings ever held on the Peninsula.

Among the vitally important features to be discusses will be the questions of marketing, and it is possible that the findings of a survey to be made under Federal Government direction will be presented before the gathering.

17 CHILDREN FATHERLESS

As a result of three men being killed when a train hit an auto at Elk Mills, Cecil County, recently, seventeen children are fatherless. The locomotive drawing the freight train struck the automobile toward the rear and cut the machine in half as cleanly as if it had been cleaved with a huge knife. The three men killed were sitting on the rear seat. The two injured were occupying the front seat.

TOLERANCE

Edgar A. Guest

Would you have missed them, a kind word or two?
Is he better or worse for his meeting with you?
What matters his station, what matters his dress?
Did you lighten his care or increase his distress?
Did you wish him good luck as he went on his way?
Whenever he thinks of you what does he say?

What if he wasn't a man of your style,
Would it have hurt you to give him a smile?
What if he wasn't well bred or refined,
Are you better for being unkind?
How did you greet him that day at your gate?
Did you add to his courage or add to his hate?

He thinks the world selfish, he says it is cold,
He vows that men serve only idols of gold.
Well, now that he's seen you and stopped at your door,
Has he gone on his way still disgruntled and sore?
Can he back his queer notions of all that men do
By citing your meanness, and pointing to you?

Oh, man in your plenty, and man in your pride,
Don't add to the burdens of those who are tried.
Be gentle, be thoughtful, be kindly of heart,
Don't grow bitter and scornful because you are smart.
Be fair with your brothers in all that you do,
Send them on feeling better for having met you.

MILLINGTON

May the editors of this paper have a Merry Christmas and a Happy New Year.

Mr. Herman Wallace went to Wilmington on Monday of last week, where he has accepted a position with the Dravo Company which is building te New Market street bridge.
