NATIONAL BETTER FARM EQUIPMENT WEEK

February 28---March 5, 1927

DEMONSTRATION OF LATEST MODELS. See Them at Work—Learn How They Earn.

"Good equipment makes a good farmer better.',

Our Store is All Dressed Up for Your Visit

THE week of February 28—March 5 has been set aside by manufacturers and dealers to meet the American farmer and demonstrate for him the very latest in labor saving, cost reducing farm equipment. We are heartily in favor of this movement, and have arranged a complete display for your inspection.

You are cordially invited to visit us during the big week, and especially on Thursday, March 3, 1927. On this day we will have in operation some of our machinery, free lunch will be provided, and there will also be motion pictures for your entertainment and profit. Bring the family and tell the neighbors. Let us help you plan to make more profit from the 1927 crop.
