ON MONDAY, APRIL the 25th the tax payers of Chestertown will vote on the $100,000 bond issue to build streets and sidewalks in Chestertown. The vote on that day will decide whether Chestertown will be improved and allowed to take her place among the progressive towns of Maryland or whether we are content with muddy streets and rough sidewalks that prevent progress. The people of Chestertown will vote for or against progress.

YEARS AGO SOME public spirited citizens of Chestertown made a beautiful park out of a rubbish heap. It required weeks of work and hundreds of dollars, but the citizens of those days were willing to give their money and time to the beautifying of Chestertown. This park is no longer beautiful, in fact it is fast becoming an eyesore. The park is taking care of itself, the grass is gone the trees need trimming, the fountain is breaking up. If the ladies of Chestertown will form an organization to beautify this park we believe that they will receive te support of every public spirited citizen.

The Man We Want To Sell Our Bonds

THE MAN WE WANT TO SELL OUR BONDS is about 30 years of age, or older; preferably married. He has had experience, but has not yet found the line of business he is willing to make his life work. He is, above all, a man of character and stability, ambition and the energy to carry through.

Such a man will make a favorable impression at the first interview and to such a man the proposition with an old-established New York investment banking house will offer such attractions, on our liberal commission basis, as to make him put forth his best efforts to get it. The applicant must give complete information about himself in a letter asking for an interview. Applications will be held in confidence.
