Territory of Columbia, the said Robert Morris saith the same ought not to be condemned &c. Because he saith the said Act of Assembly under which the said Attachment hath been issued doth not extend to or operate on any property of him the said Robert in the said Territory situate as he the said Robert doth reside in the State of Pensylvania, And also as to the said Lands and Tenements, and the Lands and Tenements of the said Robert attached in the County of Frederick he saith, that the said William condemnation thereof to have ought not, Because he saith they are attached in his own hands and also that he the said Robert hath only an Equity of Redemption therein, and is not seized of any legal Estate therein the same and every part thereof being by Deeds duly executed, mortgaged to divers Creditors of the said Robert all which the said Robert is ready to aver and prove &c. Wherefore he prays that the said Writ of Attachment may be dismissed as having issued improvidently and that the said William may not have Condemnation of the said Lands, Tenements, Goods, Chattels Rights, and Credits or of any part thereof &c &c
