THE ANNOUNCEMENT that Mr. Hooper Miles, of Salisbury, will be a candidate for Congress next year has caused somewhat of a stir in shore politics. The wishes of Congress Goldsborough, who is sick at this time, are not known to us, therefore in due respect for him and his wishes we are not going to make any statement at this time as to what position the Transcript will take later in regard to a Congressional candidate, but we believe, should Congressman Goldsborough decide not to be a candidate next year to succeed himself, Kent County will present a candidate for Congress with due claims that the Congressman should come from this county.
