THE re-modeled Methodist Episcopal Church which was opened last Sunday for divine worship, with services all during the week, is a very handsome building. It is pure colonial with spacious tiled vestibules and the church and Sunday School room have large seating capacities. The parish building is very complete with every convenience for supper and all kinds of entertainment. It is to be re-dedicated to-morrow by Bishop McDowell. The congregation of the other churches unites with the members of this church in their rejoicing that the new church is finished. The Rev. Dr. Corkran and his flock are to be congratulated on the completion of such a fine plant and church building.

W. B. SEELEY, noted rupture expert, famous for his ability and skill in handling difficult cases, will personally be at the Hotel Voshell, Chestertown, Wednesday, October 5th only; 9 A. M. to 8 P. M., where those desiring to escape a surgical operation may consult him without charge.

Mr. Seeley says the patented rupture retainers he now uses will hold bad ruptures with ease, will strengthen tissues, cause muscles to contract and close opening. Any position of the body—any kind of work can be undertaken with safety.

For two generations we have cared for many thousands in every walk of life, Physicians and Surgeons as well as Financiers and Farmers; U. S. Government Employees in Army, Navy, Post Office and Department of State; Men, Women and Children.

CAUTION—Elastic trusses with leg straps should never be used; they squeeze the delicate parts against bone and slowly produce dangerous complications necessitating operation.

Master your rupture now. It will be too late after Strangulation sets in, operations that have torn out will be given special attention.

The Man We Want To Sell Our Bonds

THE MAN WE WANT TO SELL OUR BONDS is about 30 years of age, or older; preferably married. He has had experience, but has not yet found the line of business he is willing to make his life work. He is, above all, a man of character and stability, ambition and the energy to carry through.

Such a man will make a favorable impression at the first interview and to such a man the proposition with an old-established New York investment banking house will offer such attractions, on our liberal commission basis, as to make him put forth his best efforts to get it. The applicant must give complete information about himself in a letter asking for an interview. Applications will be held in confidence.
