DOES YOUR WATCH BRING BACK GAY TALLYHOS FROM DREAM ROADS FAR AWAY ?

A watch may never lose a second yet be many years slow

The bond between a man and such a watch is a secret tie, unknown to a critical and unsympathetic world. So the watch, no matter how highly it may be privily prized, is often publicly condemned as old-fashioned and out-of-style . . . A man, in fact, is judged by the watch he carries, and if that watch be a modern Elgin, the appraisal is ever flattering. For the Elgin is true alike to the time-minute and the style-minute . . . accurate and dependable, unbelievably thin, handsomely encased, a criterion of good taste.
