By the last advices from Africa the Board have heard of the arrival out of the Chipola which carried the fall expedition. The emigrants had a very rapid passage and were all landed in good health. From Governor Russwurm's letter every thing seems to be going on well and prosperously: so that at this time both in Africa and in this country the affairs of the Society are a subject of congratulation.

By order of the Board of Managers,

JNO. H. B. LATROBE,
Pres't.
