Deed No. of Tahoe
From King George
Executed Feb. 24th. 1834 C.

I King George the true and lawful King of the country of Tahoe Do by these presents grant, deed, and convey unto Jno. B. Russwurm, Agent of the Maryland State Colonization Society and through and by him to said Society the Territory now under my authority called and bounded as follows:- viz. East by the Atlantic Ocean and River Padro- West by Grand Berriby & Gappo nation of bushmen- North by the Europoh nation of bushmen and South by the Atlantic Ocean.

To Have and to hold the same in common with our own people and to occupy any part thereof not now in actual use as a town, farm or village with all the privileges and appurtenances thereunto belonging forever.

And it is further agreed by the said parties that the inhabitants of the above named Country and the Kings thereof and American Citizens of Maryland in Liberia shall unite their forces in defence of their common country and of the Territory already belonging to the Maryland Colonization Society in Africa:- to which this is now annexed.
