Deed No. 9 of Berriby
From Quiappi & Dugo Governor
Executed March 13th 1842.

Know all men by these presents that we Quiappi alias King William and Dugo, Governor, the true & lawful king & Governor of Half Berriby:

Do by these presents grant, deed, and convey unto John B. Russwurm Agent of the Maryland State Colonization Society and through and by him to said Society, the territory now under our authority called and bounded as follows: viz., East by the Atlantic ocean – West by the Mayo & Quiappo nations of Bushmen – North by the Vennah nation Bushmen and South by the Atlantic Ocean.

To have and to hold the same in common with our own people, and to occupy any part thereof not now in actual use as a town, village, farm, with all the privileges and appurtenances thereunto belonging forever:–

And it is further agreed by said parties that the inhabitants of the above country, and the King & Governor thereof, and the American Citizens of Maryland in Liberia shall unite their forces in defence of their common country and of the Territory already belonging to the Mary-
