KENNEDYVILLE NOTES.

The two gang of Pennsylvania railroad bridge builders, now located in our village in their home cars are making progress on the substantial concrete bridge of said road, just East of Kennedyville station.

The large number of members of Kennedyville Grange who attended the Pomona meeting in Chestertown last Thursday speak in glowing terms of the splendid entertainment given and the bountiful dinner of all the good things of the season.

Kennedyville Grange session Monday evening of this week a very large number attended, about 65 or 70 when the first and second degrees were given to the following named persons: Mr. and Mrs. James Weer, Jr., and Misses Elsie Bedwell, Eunice Sutton and Mary Wiltbank. Three others were proposed for membership. The new lecturer, Mr. William Clendaniel, Jr., had for the many present, a most interesting programme. The occasion was "young people's evening," and after the liberal supply of refreshments and confectionery supplied by the men and boys of the order was served, all present and especially the large number of interesting young people, had a most lively and enjoyable hour. Among the many other good things for worthy Lecturer Clendaniel's number for next Monday evening is a debate on the subject, "Resolved that the U. S. should pass laws restricting the killing of birds." On the affirmative side are: John Medders, Mrs Harry Redmile, and Charles Bedwell; negative, D. T. Nickerson, Mrs. Mary V. Haggerty and Miss Blanch Groves.

Miss Emma Shafer, a member of Kennedyville Grange, left home on Saturday of the past week for College Park, to take in the full course at the Maryland Agricultural College on Domestic Science Jan. 13th to 18th. Miss Shafer will get very much out of the above named course and we are sure she will return with a most interesting and profitable report for the members of her home order.

Mrs, W. M. Clendaniel made a trip to Baltimore last wenk going on Thursday returning Satnrday, and brings back a most encouraging report of the condition of her good husband, who is in the North Mount street hospital Dr. Geo. Everhart, proprietor and specialist, for treatment. Mrs. Dr. J. W. Urie was very much indisposed last Sunday, not withstanding she had charge of her interesting class of little girls and boys in the M. P. Sunday School. We rejoice to note that she is much improving at this writing.

REPORT OF THE AUDITING COMMITT

OF KENT COUNTY, MD.

To the Honorable Board of County Commissioners for Kent Maryland,

GENTLEMEN: In compliance with an act of the Assembly of Maryland, passed January, 1904, we who ha appointed auditors for Kent county, beg leave to state have examined the books, accounts, vouchers and paper office of County Commissioners, Treasurer, Board of Scho missioners and Trustees of Almshouse, and submit the f report as shown in

EXHIBITS 1-6.

In the items of expenditure we find bills for de Delinquent tax notices aggregating $249.80. Also in the i receipts we find the Treasurer collected from Delinquent tax $195.40 for 1911-12, also $17.40 for 1910-11.

He according to his books received 8 per cent. commis taxes collected after April the 1st, 20 cents of which went county. It was the opinion of the Attorney to the County C sioners that if the Treasurer actually levies he is entitled to pensation for such levy. If he does not actually levy he is er to no fee for the delivery of Delinquent tax notices.

We are also advised upon what we consider other compe authority that these charges are not legal.
