Mr. and Mrs. Ralph Vandyke and little daughter, Frances, of Locust Grove, spent Sunday at the home of Mr. and Mrs. Jno Cochran.

The shock from the terrible explosion near Baltimore last Friday morning caused nearly a panic here in the public school. It seems that the stove pipe of the stove had been nearly falling down and when the shocks and reports came the members of the two lower rooms believed the stove had fallen over and rushed upstairs to find out. Fortunately it was recess and many of the smaller ones were out of the building.

Next Sunday, March 16th, Olivet M. E. Church will celebrate the centenary of birth of David Livingstone the Missionary Traveller, Philanthropist, who spent thirty years of his life in an unwearied effort to evangelize the Native Races and abolish the Slave Trade of Central Africa, giving his life, at last, for the great work.

Mrs Thos. Caldwell spent part of last week with Mrs. John L. Smith at Millington.

The Bake held by the members of Miss Mary Ellen Lynch's Sunday School class on last Saturday afternoon about twelve dollars and a half was cleared. This will be applied to Missions.

Among the sick of our town are John Boyd, Hanson Cochran, Jesse and Harvey Lehman.

Daughters of America met last Friday evening at the home of Miss Evalyn Fowler. The little hostess served refreshments in a most charming manner.

The Ladies Aid Society held their monthly meeting at the home of Mrs. Theo. Dempsey on Tuesday evening.

A WARNING TO MANY

Some Interesting Facts Regarding Health Statistics

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease which is really an advanced form of kidney trouble, caused nearly ten thousrnd deaths in 1910, in the state of New York alone. Therefore, it behooves us to pay more attention to the health of these most important organs.

An Ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy.

The mild and healing influence of this preparation is soon realized. It stands the highest for its remarkable record of cures.

If you feel that your kidneys require attention, and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and they will gladly forward it to you absolutely free by mail.

Swamp Root is sold by every druggist in bottles of two sizes—50c. and $1.00.
