THE First-Second National Bank of Pittsburg, Pa., that closed its doors several days ago, is likely to be a far-reaching affair. It had widely advertised for funds and paid—or rather promised to pay—its depositors 4%. J. B. Ramsey, ex-examiner and ex-president of the Mechanics Bank of Baltimore, commenting on the failure in Thursday's Sun, says the bank paid too high a rate of interest for their money. We have not heard of any here being caught in the failure, being lured by the unsafe rate of 4%.

THE Primary Day has been fixed on Monday, Sept. 8th.

WHILE removing the molds of a concrete stairway in the new primary school building in Centreville on Monday, Wm. H. Neal, of Centreville, and Chas. Callahan, of Cordova, were both seriously injured by the falling of the wall and catching them under it. Mr. Neal was hurt internally about the breast, while Mr. Callahan had his right leg broken in two places. They are slowly improving. George E. Lane is the contractor.

Local buyers are paying from 85 to 88 cents for wheat.

Cool Footwear

Most any one will tell you that the Russett Shoe is the most comfortable shoe you can wear, as they are cooler than other leathers and do not draw the feet.

ROCK HALL NOTES.

Mr. Fred. Carter and family, of near Still Pond, were visiting relatives here on Sunday.

Mrs. D. J. Moore has been the guest of her parents, Mr. and Mrs. J. A. Casey, the past two weeks.

Mr. J. A. Casey has just installed in his store room brilliant gasoline lights, which afford a most agreeable relief from the oppressive heat of the oil lamps heretofore used.

Miss Anna Leary and her music class conducted a very interesting entertainment in Coburn's Hall on Wednesday evening, for the benefit of the church bell for Wesley Chapel. The hall was packed with a most appreciative audience.

The threshing rig managed by Mr. Alex. Taylor broke down on Wednesday while leaving the farm of Mr. Wilson, in lower Eastern Neck. One of the axles of the engine broke. This is a source of worriment, not only to Mr. Taylor and his crew, but to the farmers also, who were waiting for his coming.

Mrs. M. L. Maslin met with an accident two weeks ago which proved quite a shake-up to her. She was returning from milking the cows when she stumbled over the door sill of the stable and fell heavily to the hard ground. She has been confined to her room ever since, but is now on the improve.

The ladies of the Robekah Lodge chide us for making a slip in our report of their recent meeting, in stating they enjoyed a repast of cake after adjournment. They did not partake of cake. The cake was there and we thought they feasted—we didn't stay to witness. But we do know that a large gathering of the membership did ample justice to a splendid set-out of cream and cake at their meeting of last week. We stayed and feasted with them.

The Urie bugaboo failing to produce the desired effect on our intelligent voters, the Anti's have circulated, through the mail and otherwise, a lot of campaign thunder in the shape of Organization and Anti-Organization catechism. With the rehash has come a letter from their Legislative candidates, with promises of wonderful things they will do next winter; but they say nothing of what their candidate, Harris, did at Annapolis when he had the chance to help the fishermen and temperance people of Kent county.

Mr. Thos. R. Reiche, of Goffs, Cal., has written his old friend, Jack Collison, a very interesting letter descriptive of men and things in San Bernardino county and other sections of California. He sent ahead of his letter a 2-pound lump of crude salt taken from the bed of Danby Lake, which is now as dry as a bone, with an immense crust of salt over the entire bed of the lake. Tom is now in the employ of the Santa Fee Railroad Company. He says the company wants him to occupy a house near a 40 horse-power engine, so that it will be more convenient for him to manage one of the plants, but he says he is afraid the thing will blow up. He wouldn't mind being blown up, provided he was safely landed in dear old Rock Hall.

The Bank That Pays

FOUR PER CENT

ON ALL SAVINGS DEPOSITS

ANOTHER STEP IN ADVANCE

Ordinary Savings Accounts Put Upon a Four Per Cent. Interest Basis.

All well regulated Banking Institutions carry several classes of deposit accounts in order to best meet business conditions and the requirements of individual depositors.

In harmony with, and abreast of the more progressive banks, THE PEOPLES BANK, adopted at its inception and continues to employ three classes of accounts as follows:

First:—Active, or daily checking accounts, subject to no interest allowance.

Second:—ordinary savings accounts, being deposits entered in pass books, and remaining four months or longer on deposit upon which interest at rate of THREE per cent. has been allowed and paid.

Third:—Certificates of deposits being deposits made for a specific time, six or twelve months, for which a certificate is issued and upon which interest at the rate of FOUR per cent. is allowed and paid.

INTEREST RATE INCREASED

Three years ago, when the rate of interest payable on the two interest bearing accounts was fixed, existing conditions impelled and justified a discrimination in the interest allowance and the rate was fixed at THREE PER CENT. on the one most subject to fluctuation; and FOUR PER CENT on the other more stable and less variable account.

Fortified by an experience of nearly three years, during which time the success that has attended the business management of this Bank, has fully demonstrated not only the Absolute Safety, but profitableness of the liberal interest policy, and in keeping with their determination to accord depositors and patrons the most liberal treatment at all times, the Directors of the Peoples Bank, now announce that both classes of saving deposits — the Ordinary Pass Book Savings Account and the Certificates of Deposit—will be maintained at a parity, and at the same liberal rate of interest, namely:

4 PER CENT

This rate will be in effect as of July 1st, and holders of Savings Account Pass Books, will receive interest January 1st, 1914, at the rate of Four Per Cent. instead of THREE per cent. stipulated in their pass books.

Certificates of Deposit will also be issued as heretofore at FOUR per cent. to those preferring this class of account; or those holding Certificates and preferring Pass Books, may exchange one for the other.

All present patrons of this Bank and Prospective depositors are cordially invited to investigate thoroughly the record and affairs of this Bank, and to remember that

FOUR PER CENT. IS JUST ONE THIRD MORE THAN THREE PER CENT.

Cordially and Sincerely,

THE PEOPLES BANK
OF CHESTERTOWN, MD.
