UNDERWRITERS RERATE KENT COUNTY

Representatives of Eire Underwriters are in Kent countty rerating property for the purpose of determining new fire insurance rates.

At the present time Chestertown has a deficiency charge of 24 cents on all business establishments and 32 cents on shingle roof dwellings. This deficiency is added to the insurance rate and is determined by the efficiency of the fire-fighting equipment and water supply and equipment.

A few years ago this deficiency was reduced from 27 cents to 24 cents on the $100 due to additional fire-fighting equipment purchased by the fire company.

The addition of another fire truck, purchased last year, will further reduce the deficiency to 23 cents on business establishments.

IN EQUITY NO. 2552

The object of this suit is to procure the sale of two small lots or real state located in the Seventh Election District of Kent County, Maryland, of which Henry Blake, late of said Kent County, deceased, died, seized and possessed, in order to pay to Susan Elizabeth Willis, the following accounts: the balance due on his funeral expenses amounting to $75.00; doctor's bill in the amount of approximately $90.00; drug bills in the amount of approximately $50.00; board bill during the year 1914, $52.00; board bill during the year 1915, $45.00; board bill during the year 1916, $125.00; board bill during the year 1917, $250.00; for rent of house occupied by Henry Blake, $25.00; for taxes from years 1915 to 1927 in the amount of $44.47; and the expenses of administrating his estate to said Susan Elizabeth Willis, Administratrix, as well as the debts of all other creditors of said Henry Blake, who will come in and contribute to the costs of this suit.

The Bill of Complaint recites that the said Henry Blake died on or about July 22nd, 1917, intestate in said Kent County, Maryland, without personal property sufficient to pay his debts, funeral expenses and costs of administration, that the Plaintiff, Susan Elizabeth Willis paid the balance due for the funeral expenses of the said Henry Blake amounting to $75.00 and the said Susan Elizabeth Willis paid the other accounts of the said Henry Blake. That as chief creditor she applied to the Orphan's Court for said Kent County for letters testamentary on the estate of said Henry Blake and that such letters were granted her and notice has been given to creditors of the said Henry Blake to file their claims duly authenticated against said estate, but that there was not sufficient personal property of the said decedent to pay his debts and costs of administration of his estate but that he the said Henry Blake was seized and possessed at the time of his death of two lots of real estate located in the Seventh Election District of Kent County, Maryland, containing about 3.1 acres of land more or less, and that the plaintiffs pray that on account of the insufficiency of his personalty that the said real estate be ordered by this Court to be sold to pay the debts and expenses of the administration of the estate of the said Henry Blake. And that an offer has ben made by Harry F. Jefferson of Chestertown, Maryland, to purchase the hereinbefore described property at and for the price of $550.00 upon the transfer of the above property to him by the trustee to be appointed in this case and upon the conveying to him of a fee simple title of the hereinbefore described property and that plaintiffs pray that the trustee to be appointed in the above entitled case be authorized to make such sale to the said Harry F. Jefferson at and for the price of $550.00 and upon the consummation of said sale that it be ratified and confirmed by this Honorable Court.

That your Complainants know of no heirs left by the said Henry Blake and that if the said Henry Blake left heirs they are unknown to your Complainants but if there are any unknown heirs they are prayed to be proceeded against as against non-residents of the State of Maryland.

It is thereupon, this 3rd day of January A. D., 1929, by the Circuit Court for Kent County, in Equity, ordered that the Plaintiffs by causing a copy of this order to be inserted in some newspaper published in the said Kent County, Maryland, once in each of four successive weeks before the 4th day of February A.
