Scrubs Fatten Quickly

You want your pigs to eat as much as possible when you fatten them. Give them a great variety of feed, keep the appetite keen and the digestion in good order, and you will obtain the desired result; especially if you mix with the grain ration a dose of

Bee Dee STOCK MEDICINE

Whets the appetite—Helps digestion.

I put some scrubby-looking hogs in the pen to fatten and gave them Bee Dee STOCK MEDICINE in their feed. I soon had fine, healthy-looking hogs, which netted me over 500 pounds.

SPORTING NOTES.

St. Johns defeated Washington Saturday by score of 6 to 2. Biddle in the box did his part but the home boys were "scared"!

The Washington College tennis players succeeded in getting revenge for their former defeat at the hands of St. John's by defeating the latter here Saturday in doubles, while the singles resulted in two wins each. Branham and Stam reversed the former score in their winning, while Branham was able to defeat his man only to have Madden, a former victor, join the lesser ranks.

Kratzer, however, who beat Keller out for the team, proved to be better than his competitor by administering a defeat to Winslow. The strong wind over the courts prevented any especially fine exhibition of tennis, and many wild returns were the result.

The Chestertown Nationals defeated the Chestertown Americans Saturday, the count being 24 to 0, when the curtain fell.

Edward Robinson was on the hill for the former team, holding them almost hitless and striking out somewhere between 20 and 30—according to reports. "Rip" Lavinus of the Nationals who drove the ball for a home-run says, "We had the game on ice all the time."

Last Monday at Centreville the Elephants and Microbes of the town battled nine innings and sweat blood, almost. The heavys won by a score of 35 to 24. There was plenty of slugging and the base running of the fats was something long to be remembered. If a 250 pounder found that he was getting tired of running down the base line he immediately lay down and finished the distance by rolling. Therefore seeing so much weight coming toward them the little fellow on the bag would immediately leave and the big fellow was safe. About $25 was taken in at the gate for the High School Athletic Association and a jolly good game was enjoyed by the crowd who came out to see the fun. Mr. Wm. McKenney was the "star" for Elephants.

The following are the entries for the races today at Chestertown:

Bridegroom Ages One Year Going 35 Miles.

Elkton, Md., May 24.—Thirty-four couples got marriage licenses here last week, and one couple, Vernon B. Hanwell and Miss Charlotte C. Kohler, from Laurel Springs, N. J., were refused a license because the bridegroom was only 20 years old, the law requiring a man to be 21 to obtain a license.

The couple went to Chestertown and were married, the young man having aged one year before he reached the county seat of Kent county, which is about 35 miles distant!

REPORTS just compiled show that on twenty-two divisions of the Pennsylvania Railroad, not a single employe was found deficient in all of the 125,226 observations made in February, 1914, to determine to what extent employes were obeying the railroad's rules against the use of intoxicants by employes while on duty, the habitual use of intoxicants, or the frequenting of places where they are sold. The aisles of 7,401 passenger cars were inspected to see that they were free from baggage and hand-bags, and not in a single case were the rules of the Company disregarded.

SLEEP DISTURBING BLADDER WEAKNESS BACKACHE-RHEUMATISM, QUICKLY VANISH

Even Most Chronic Sufferers Find Relief After A Few Doses Are Taken

Backache, urinary disorders, and rheumatism, are caused from weak, inactive kidneys, which fail to filter out the impurities and keep the blood pure, and the only way on earth to premanently and positively cure such troubles, is to remove the cause.

The new discovery, Croxone, cures such conditions because it reaches the very roo of the disease. It soaks right into the stopped up, inactive kidneys, through the walls and linings; cleans out the little filtering cells and glands; neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles to scratch and irritate and cause rheumatism; it neutralizes the urine so it no longer irritates the tender membranes of the bladder, and cleans out and strengthens the stopped up, lifeless kidneys so they filter and sift all the poisons from the blood, and drive it out of the system.

So sure, so positive, so quick and lasting, are the results obtained from the use of Croxone, that three doses a day for a few days are often all that is required to cure the worst case of backache, regulate the most annoying bladder disorders, and overcome the numerous other similar conditions.

It is the most wonderful preparation ever made for the purpose. It is entirely different from all other remedies. There is nothing else on earth to compare with it. It is so prepared that it is practically impossible to take it into the human system without results.

You can obtain an original package of Croxone at trifling cost from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give desired results, regardless of how old you are, how long you have suffered, or what else has failed to cure you.
