DEL-MAR-VA SEEKS SUMMER HOME

Officials of the Del-Mar-Va Eastern Shore Association which is heading a movement to interest President Hoover in a Summer White House location on the Del-Mar-Va Peninsula said today that the report from Washington that the President will not use Mount Weather, near Bluemont, Va., recommended by former President Coolidge, but will seek a location accessible by both motor and the presidential yacht where good fishing and other out-of-door recreation may be enjoyed, offers decided encouragement for consideration of Del-Mar-Va sites.

The Del-Mar-Va Association is completing a thorough survey of ten locations on the Peninsula, each easily accessible to Washington and the majority of them on Chesapeake Bay or the deep rivers of the Peninsula which would permit anchorage for the Mayflower.

Because of the expressed interest of President Hoover in fishing, Del-Mar-Va residents believe that they have to offer greater attraction in both salt and fresh water sport as well as other recreational features than has any other section within a radius of one thousand miles of the Capital.

The sites to be submitted by the Del-Mar-Va Association include: Castle Haven, in Dorchester County, Maryland, on the south side of Greater Choptank River; Kiptopeke, at the extreme souther tip of the Peninsula, in Northampton County, Virginia; Kitty Night House, on the Sassafras River, Kent County, Maryland; Oakhaven, on the Tred Avon River, Talbot County, Maryland; Crosidore, on the Greater Choptank River, Talbot County, Maryland; Beverly Farms, on Broad Creek, an arm of the Greater Choptank, Talbot County, Maryland; Benoni's Point, or Blue Heaven Gunning Club, on the Choptank River, Dorchester County, Maryland; Carvel Estate, on Kent Island, Queen Anne County, Maryland; Perry Hall-Bellevue, on the Miles River, Talbot County, Maryland; and Stoneton, on the Sassafras River, Kent County, Maryland.

BETTERTON

The play given by the Still Pond Epworth League last Tuesday evening for the benefit of the Betterton Bible class was greatly enjoyed and was received by a full auditorium.

The lecture on "Alaska" given by Rev. John White in the school auditorium on Friday evening was also enjoyed by a large audience and was very interesting. The pictures were taken by Mr. White during his three years spent in Alaska and the lecture is his personal experience while there.

The business and social meeting of the Epworth League was held at the home of Miss Lou Jewell on Thursday evening with a good attendance.

"it's the Champion"

Have you tried the new *improved* "Standard" Gasoline?

If not, in fairness to yourself you should. Especially if you are looking for new records in all 'round motor efficiency.

This super-performance fuel is making friends by the thousands. Everywhere there is a warm chorus of praise from both motorists and dealers who are passing on the information that "it's the Champion."

Test it for yourself. It has everything you want: *start* and *acceleration*—like a wild colt on the getaway and pickup; *power*—the uncomplaining swift power of unleashed lightning. No "talking back" on the hills. No carbon. And it burns clean to the last drop. No crankcase dilution. A pure, clear, *white* gasoline. On sale at the big red "Standard" pumps with "Standard" globes. Insist on the genuine. Made and guaranteed by the Standard Oil Company of New Jersey.
