Your purse strings

will loosen as you pass our store and see the windows "crowded with bargains."

Let us suggest to you, Mr. Farmer, the early selection of your needs for this Spring. The time to make this selection is NOW, the place is HERE.

Note the prices—pick out the ones you like—and have them put aside for you until you are ready for them.

If you have never dealt with us, it is your fault; but if you deal with us just once and do not continue, it is our fault. So come in to see us and give us a chance.

We enjoy showing our goods just as much as you do seeing them, and we will see if we cannot show you some bargains.

We are yours for business.

Rydes Calf Meal is better than the milk and so much cheaper. We have some customers who have used it and reports as to its results are very gratifying. Try a bag on the next calf and sell your milk. We have in 25, 50 and 100 lb. bags.

Clover Seed

Nice stock now here and prices are much lower than last year. See these seed before your buy.

Anything in GRASS or FIELD SEED that you may need this season.

Clover and Grass Seed Drills

Why pay $10.00 to $15.00 per bushel for seed and lay them on top of the ground to be blown away by the wind or washed away by the rains. Put them in the ground as you do any other seed with our Grass Seed Drill. Will pay for itself in one year by the increased yield of hay and a better wheat crop. See one on exhibition at our store.

Sleighing Scene on High Street, Chestertown

The fine street in Chestertown made an excellent track for races Tuesday and Wednesday. Many of the country racers could not get in because the snow had blown off the roads outside of town. A close race was made between Wm. G. Smyth's "young" mare and Tylden's Hadaway's bay. Chas. Keithley, George Titter, Frank Skirven and Wm. C. Townsend made some excitement as they drove down in warm finishes. W. T. H. Whiteley, R. J. McWhorter, George Bell, Raymond Bowers, Walter T. Bramble, Harry Massey and E. A. Nicholson drew reins on trotters in the 2.30 or better class, while Miss Emma Decorse, with her black horse, showed expert skill as a reinswoman. Mrs. J. Biddle Hossinger was out with a big chestnut beauty. Others seen were Messrs. Frank Baxter, Robert Brown, Paul Massey, James Jarvis, Geo. Baldwin, Wm. Toulson, Walmsley Davis, W. C. A. Thompson, Wm. Kendall, Julian Jones, Samuel Loller, R. F. Parks and others. Messrs. Lewin U. Skirven and Edw. Fowler each drove a pair together to cutters, but had trouble to keep both horses on their feet at the same time.
