THE TRANSCRIPT

THE COOPERATING OF twenty-three merchants of Chestertown in a seven weeks trade extension campaign should receive the support of the entire community . The primary object of the campaign is to encourage shoppers to buy at home and to further this move these merchants are spending a large sum of money. The campaign is known as a Popularity Contest and a new automobile will be given to the girl entrant who receives the most votes; votes will be given for purchases made. Buying at home is community building as a comunity only prospers in proportion to the business prosperity.

CITIZENS of Kent county are today voting on the million dollar road bond issue to build approximately fifty miles of concrete roads and fifty miles of slag roads. It is not a political issue and as far as can be seen political views have not figured in the campaign. It is purely a business proposition. It offers to meet the demands of citizens from all sections of the county for good roads. Delegations appear before the County Commissioners at almost every meeting requesting the improvement of certain roads, while under the present condition of the road fund it is impossible to meet the demands. Good roads have proved to be a good investment in all sections of the country and this bond issue should be considered as an investment. In many sections of the county citizens have clubbed together and raised large sums to improve certain public roads and this bond issue should be voted on as whether the citizens of the county at large are willing to club together to improve one hundred miles of dirt roads. It is true the bond issue cannot improve all the dirt roads in the county but the roads to be improved are considered by the County Commissioners and the citizens committee as the most important and would probably receive first consideration under the present road improvement plan. The passage of the bond issue means that the remaining dirt roads will be in direct line for improvement under the seven mile a year slag building program from the county road fund. The question which will be decided today is whether the citizens of this county are willing to invest the amount of tax increase in good roads. On page one of this issue will be found the final revision of the roads to be improved and according to that article, which was prepared at the meeting on Tuesday, the County Commissioners have pledged themselves to carry out this program.

DEATHS

Mrs. Mary Virginia Gary, wife of the late Jades Gary, passed away at her late home in Harrisonburg, Virginia, Sunday evening the 5th in her 89 year.

Mrs. Gary in her early life lived near Still Pond and was a member of the Still Pond M. E. Church.

Twenty-nine years ago she moved to Harrisonburgh were she has made her home since. She was a devoted christian and an active worker in the M. E. Church of her home town. A loving mother devoted to her six children who survive her.

The remains were brought to Still Pond M. E. Church at 4 p. m. Tuesday where services were held by S. S. Hebron and Rev. Short. Interment in Still Pond cemetery. B. R. Fellows undertaker. The bearers were: Messrs. James Frazier, Ralph Frazier, Joseph Gary, Harry Gary, George Pennigton and Howard Pennington.

Miss Mary Lindel Beasten died suddenly Thursday afternoon at the home of Mrs. Alice Deringer, on Queen street, Chestertown, age 58 years. She has been a guest at the home of Mrs. Derringer for the past three months and was to leave Chestertown Friday morning. When she failed to awaken after taking a nap Dr. Charles Whaland was summoned and he pronounced her dead.

She is survived by two brothers, Mr. Harry Beasten, of Wilmington, and Mr. Wallace Beasten, of Williamsburg, Va. Funeral services will be held Sunday afternoon at 2 p. m. at St. Annes Protestant Episcopal Church, Middletown, Del., Rev. Percy L. Donahay, officiating. Interment in Bethel cemetery. C. L. Dodd, undertaker.

SPORTS OF WEEK

WASHINGTON WINS AT LACROSSE AND BASEBALL—OTHER NOTES OF THE SPORTING REALM

By Polk T. Brambie

The Chestertown High School baseball team jumped into the lead in the county championship series last Friday afternoon by defeating Rock Hall 10 to 0 at Chestertown.

Dowling and Wheat, of Rock Hall each accounted for 3 hits out of 4 trips to the plate and Grant came through with two yet Kennard, of Chestertown, kept the hits scattered and held the Rock Hall team scoreless.

Hodson and Hill, of Chestertown, each secured two hits out of four times up.

The game between Chestertown and Galena at Galena will be the important game of the season. Should Chestertown win they will have practically won the series. If Galena wins, it will necessitate continuance of the schedule.

Washington College Lacrosse team won a hard fought game from the team calling itself the Penn. Junior Varsity on Wednesday afternoon on Washington field. The game was closely contested for the first part of the first half, at its close Washington getting the lead by the score of 3-2. The second half found Washington winning somewhat easily, the game ending by the score of 7-3. Chief Beatty's team showed a decided improvement in passing and all around work.

Washington's baseball team lost to P. M. C. at Chester on Saturday by the score of 6 to 4. Washington was unable to hit in the pinches and had fourteen men standing on the bases Purnell and Griffin were on the mound for Washington.

Lacrosse is becoming more popular at Washington College, but like any new game in a community, it akes some time to build up interest. In the opinion of the writer, it will never become popular like baseball and football.

The race in the big leagues is holding the attention of the country, but it will be several weeks, or months, before the real teams begin showing decided improvement over the others. others.

Washington's baseball team won from the University of West Virginia on the local diamond in a seven-inning game on Thursday afternoon, the score being 6 to 5. West Virginia was the first to score, but Washington soon overtook them, and for a time the game resembled a real contest. Griffin started the game for Washington, but proved ineffective and was relieved by Badart in the fourth inning who held the visitors to two hits and without a score.

—Mr. and Mrs. Charles Harris and family have moved from Mt. Vernon Place to the Lambert property adjoining the Chestertown air port.

BETTERTON

Tomorrow evening at the evening service in the Methodist church a public meeting of the Women's Foreign Missionary Society will be held. Mrs. Foster Davis, of Baltimore will be the speaker and every one is cordially invited to attend this service at eight o'clock. The Incense Gift envelopes, that are now in the hands of the members will be received during the service.

The chicken and shad supper given by the ladies of the Methodist Church last Saturday evening was very successful, about one hundred suppers being served.

Mr. and Mrs. J. H. O. Stokes entertained their daughters from Washington for the week end last week.

The Ladies Aid Society was entertained last Friday afternoon by Mrs. Larry Hackett. A committee was appointed to have Barberry planted around the foundation of the church.

Mr. Normand Crew, Mr. Edward Smith and Mr. Harvey Moore have all had their houses improved by painting this spring, adding much to the appearance to that part of the town.

HELEN BAKER TURKEY MASHES

may be purchased from Jones & Satterfield who have the exclusive selling agency in Chestertown, Md.

The Haenn Milling Co. of Cheyney, Pa., (near Wilmington,) is the only mill authorized by me to mix my formulas under my name. I am in no way connected with either of the two mashes put out by Metcalfe Brothers, of Chestertown, and contrary to Metcalfe Brothers' circular letter I have not sold my name to any mill.

The Haenn Milling Co. will put up three strengths of HELEN BAKER TURKEY MASHES, with the bone meal and sulphur added in the proper proportions for the different ages. Therefore it will not be necessary to add anything to the mashes but grit and shell, and cod liver oil if desired. Most good is gotten from cod liver oil when it is mixed fresh with each feeding as it loses some of its strength when exposed to the air.

Feed Sarting Mash the first month. Feed half Starting Mash and half Growing Mash at the beginning of the second month, gradually getting the poults on to all Growing Mash at the end of a week or two. In the same manner change to the HELEN BAKER FATTENING MASH in September.

The above feeding will GROW MORE AND BETTER TURKEYS for the early November markets when prices are highest.

Due to the prevailing High Money Market, it was necessary that the last issue of Federal Land Bank bonds should bear a higher interest rate than issue immediately preceding.

Therefore, the Federal Land Bank hereby gives notice that on and after May 1, and until further notice, all loans made by the Kent and Queen AnneNational Farm Loan Association shall be at the rate of 5½ per cent. per annum instead of 5 per cent as heretofore.

Come in and let me explain the provisions of a Fedral Farm Loan to you.
