was intended to be included in the repealing clause embraced in said supplement; and whereas, it is extremely desirable at this time that such school should be organized, and a house erected for its use in the neighborhood of said square; therefore be it

Resolved by the Mayor and City Council of Baltimore, that the Mayor be requested to make due inquiries of said Messrs. Donnell, whether it was their intent to withdraw the offer of the donation of the lot of ground for the use of a public school as described in the seventh section of ordinance approved May 15, 1846; and further, to inquire whether the obligation to erect an iron railing around Union squire does not include within it, as a condition precedent, that the conveyance of said lot should first be made to the city.

Approved May 28, 1855.

SAMUEL HINKS, *Mayor.*

No. 128.

Resolution in favor of John Tuomay.

Resolved by the Mayor and City Council of Baltimore, that the Register be and he is hereby authorized to pay to John Tuomay, the sum of seventy-five dollars, out of any money in the treasury not otherwise appropriated.

Approved May 30, 1855.

SAMUEL HINKS, *Mayor.*

No. 129.

Resolution authorizing the City Register to refund certain monies to the Trustees of the Reformed Presbyterian and North Baltimore M. E. Churches.

Resolved by the Mayor and City Council of Baltimore, that the Register be and he is hereby authorized to pay to the Trustees of the Reformed Presbyterian Church, the sum of fifty-four dollars and eighty-nine cents, out of any money in the treasury not otherwise appropriated, and also eighty-five dollars to the Trustees of the North Baltimore M. E. Church, being money paid in error by said trustees for expenses of the opening of Biddle street.

Approved May 30, 1855.

SAMUEL HINKS, *Mayor.*

No. 130.

Resolutions relative to Water Pipe to be placed in the different streets in the City of Baltimore.

Resolved by the Mayor and City Council of Baltimore, that the Water Commissioners be and they are hereby authorized to connect a four inch pipe with the main on Eutaw street, opposite Homespun alley, and extend the same westwardly in said alley to a point ninety feet west of Warner street, in all about nine hundred and sixty-six feet, and draw on the Register for seven hundred dollars, or so much thereof as may be necessary to pay for the same, to be charged to the Water Department.

And be it further resolved, that the Water Commissioners be and they are hereby authorized to lay a six inch pipe in Calhoun street, connecting with the pipe now laid, and extend the same three hundred feet south to an alley south of Baltimore street; and thence westwardly from Calhoun street, lay a four inch pipe on said alley to a point seventy feet west of Stricker street, being about four hundred and sixty-six feet; and also tap the pipe on Calhoun street, in Baltimore, and lay a two inch pipe eastwardly one hundred and twenty-two feet; and draw on the Register for seven hundred and twenty dollars, or so much thereof as may be necessary, to be charged to the Water Department.

And be it further resolved, that the aforesaid commissioners are hereby authorized to extend the three inch pipe in Chesnut street, westwardly about two hundred and fifty-seven feet to French street, and draw on the Register for one hundred and forty-two dollars, or so much thereof as may be necessary to pay for the same, to be charged to the Water Department.

And be it further resolved, that the aforesaid commissioners are hereby authorized to extend a four inch pipe, from its termination on McElderry street, one hundred and fifty feet east to Central avenue; thence south one hundred and thirty-five feet to Hamner alley; thence east one hundred and forty-two feet to Berger alley; thence south ninety-four feet to Wright alley; and draw on the Register for three hundred and eighty-six dollars, or so much thereof as may be necessary to pay for the same, to be charged to the Water Department.

And be it further resolved, that the aforesaid commissioners are hereby authorized to lay a four inch pipe, and connect the same to the pipe now laid on Rose street, opposite Jordan alley, and extend the same westwardly in said alley to Hoffman street, about six hundred and sixty feet, and draw on the Register for five hundred and twenty-eight dollars, or so much thereof as may be necessary, to be charged to the Water Department.
